MRS. JAMES W. WICKENDEN

Tribute

To Arthur Griffin, Vice-President of our Board of Trustees:

When we need sound advice on long range plans of the school, we turn to you for help.

When we built Hayden Hall, you were the competent Clerk of the Works.

When we purchase real estate for the expansion of dormitory or faculty facilities, your invaluable experience in this field is always available.

When we face financial problems, your knowledge and acumen in the subject of banking are an essential factor in any decision. A Life Trustee, you are all that a trustee should be, and more — wise, patient and loyal.

For twenty-seven years of unselfish and vital contribution to the role that Tabor is playing in the increasingly important field of education — we, your fellow trustees, the faculty and students, extend our grateful and heart-felt thanks.

MATTHEW P. WHITTALL

In Memoriam

Matthew P. Whittall served Tabor as a devoted and outstanding trustee for twenty-eight years. He was always known as one who took any responsibility seriously. Elected to the Board in 1931, his great love for Marion and his lively interest in the Academy grew steadily. In 1941 he was elected Vice-President of the Board of Trustees and was chosen a Life Trustee in 1942. When Mr. L. LeBaron Dexter was raised to President Emeritus in 1953, Mr. Whittall assumed the presidency pro tempore from June to October of that year. His death in 1959 brought an end to a full and productive life of devoted service, wise generosity, and great gentility.

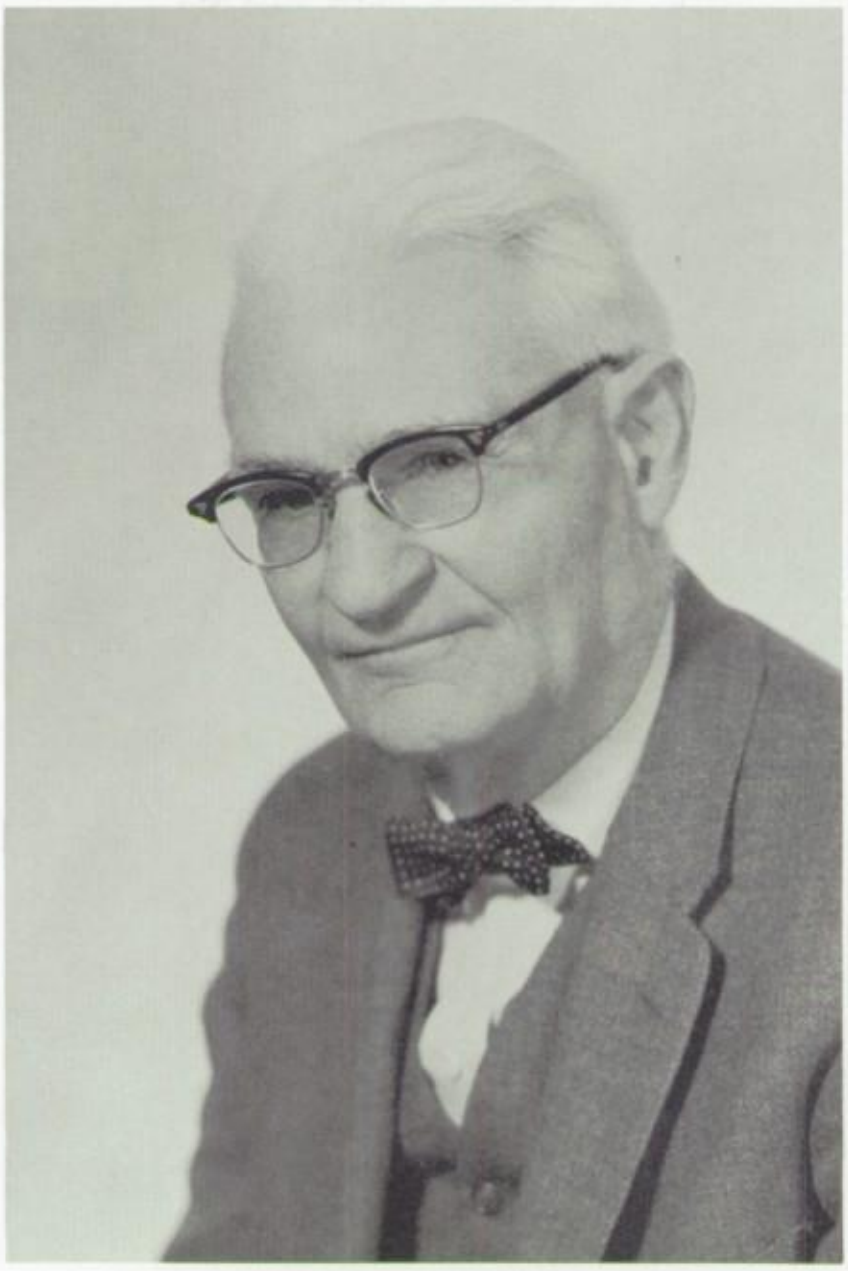
Dedication

In gratitude for his insistence that we adhere to a standard above and beyond any immediate gain or loss in the classroom or on the playing field, for his insight which made it impossible for us to lie to ourselves, for his refusal to accept from us anything less than our best performance, for his warm understanding of our youthful falterings, and in admiration of the example he has given us of a man true to himself, all with a keen sense of humor which enabled us to laugh at ourselves and our fellows without contempt — we, the class of 1960, respectfully dedicate this Yearbook to - - -

JULES LUCHINI

FACULTY



CLAYTON KEITH

Appreciation

Mr. Keith came to Tabor in 1928 as a teacher of Latin and Spanish and coach of such sports as hockey, baseball and sailing.

We, the faculty and students, wish to take this opportunity to indicate to him our sincere affection and appreciation for his thirty-two years of unselfish and meritorious service.

He has taught a generation of Tabor boys, fathers and sons, in the classroom and on the athletic field preparing them for college and adult responsibility.

Clayton Keith has earned the respect of us all. We wish him continued good health and enduring satisfaction in every endeavor.

In reflecting on our days at Tabor, we sense that we have undergone many of the best and most important events in our life, experiences which will have a direct affect on our future. Not only have we profited greatly from educational enlightment and direction but also from enthusiastic participation in sports and other extra-curricular activities.

We have attempted to achieve a high standard of academic proficiency and to maintain an all-around fraternal atmosphere. Of course, we have made mistakes, but it is hoped that we have lived up to our responsibilities and expectations and have given the school the leadership that is expected of a senior class.

We are confident that those who follow us will continue to maintain the excellent rating and reputation of the school, in the classroom, on the athletic field, and in every day life.

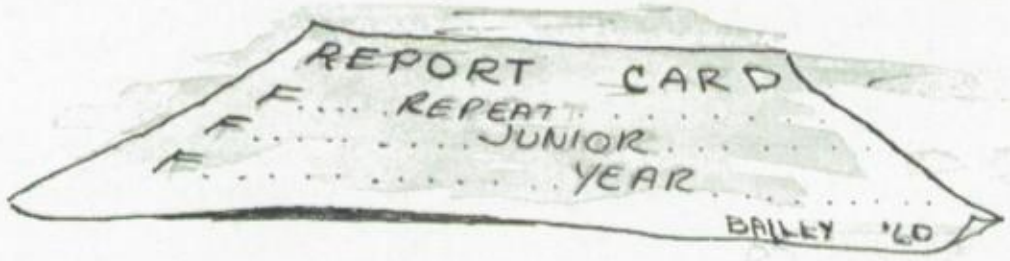
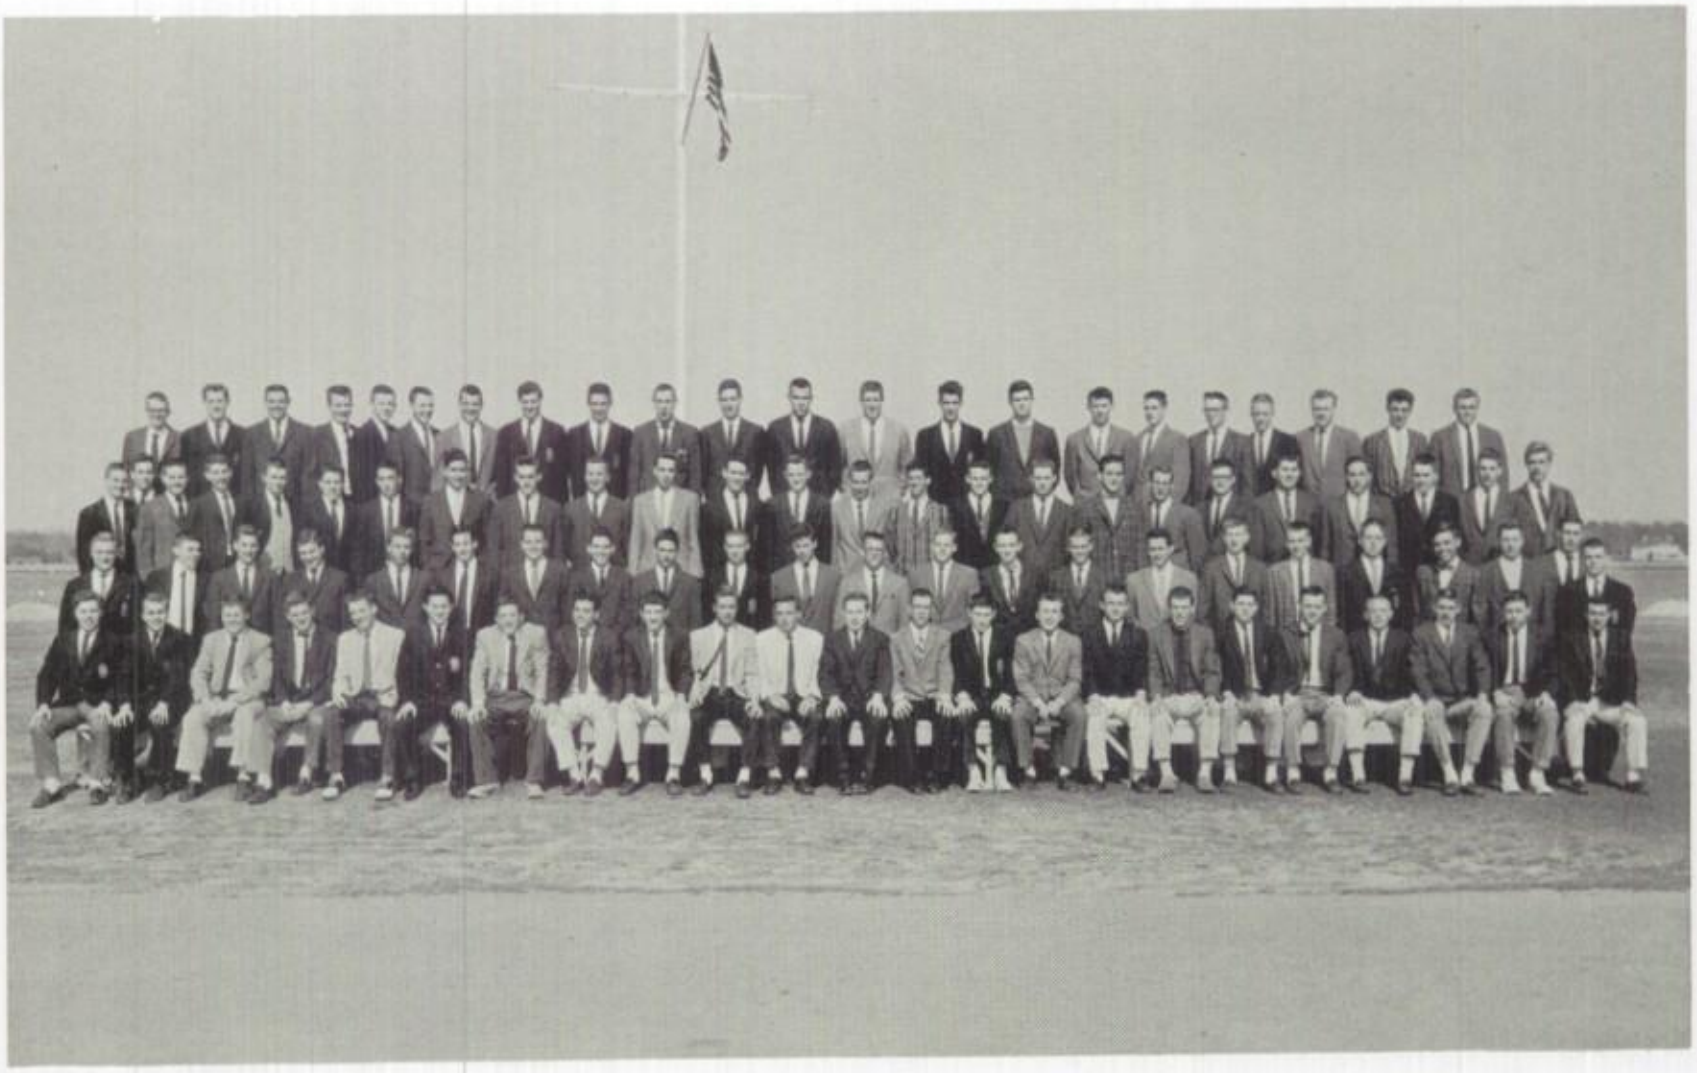
UNDER CLASSMEN



Junior Class



First row — left to right — Rovetti, Pease C., Peterson, Love, Boyd T., Hsu, Burwell, Duarte, Earle, Woodruff, Neal, Knauff, Sullivan, Cantor, Quartier, Pollan, Moore S., Kaup, Luke, Kakas G., Naramore, terKuile, Hudson.

Second row — Schutt, Calvin, VanZandt, Desmond, Wolf, Stein, Savage, Hackel M., Blake F., Roberts, Shrut, Richardson, Darst D., Crippin, Chapman G., Giacaman, Carey, Hallen, Pinel, Schling, Heyman, Cady R., Conti.

Third row — Borton, Piehler, Stadnicki, Shultz, Sears, Boyd F., Kraemer, Cajale, Clark P., Banister, Ingham, Thomas, Vaitses, Hirschmann, Swartz, Shore, Jenkins, McNeer, Billings, Butterworth, Blasdale, Weintraub, Whitcomb, Kellogg, McEldowney.

Fourth row — Marchisio, Heath, Turner, Langdon, Bruce, Merry R., Trafton, Vose, Eames B., Matthews, Spectre, Gugler, Chauncy S., Fenton, Ford, Burt, Rideout, Chornyei, Place, Ormondroyd, Elsas, Ray.

As a member of the junior class, each boy assumes more and more responsibility and this year's class was no exception. Next year, these boys will be taking over the leadership of the underclassmen.

The class of 1961 constantly had a large number of boys on the Honor Roll and also a large number of recipients of various scholastic honors. There are in this group, too, many outstanding athletes. The juniors were well-represented on almost every team, sport and activity of the school.

The Juniors of this year will most definitely make excellent leaders of Tabor next year. The school is proudly looking forward to the boys of the class of 1961 who are waiting to take their place as Tabor's 85th senior class.

Sophomore Class

First row — left to right — Hotchkiss, Eldridge, Tobey, Hill D., Parrish, Shapiro, Vickery T., Acker, Marchand, Birnbaum, Rhoten, Drake, Myers C., Cady E., Rosenberg, Shen, Booth, Long W., Bernard, Fireman, Grayboys, Birdsall, Mason D., Fawcett.

Second row — Bush, Bolton, Holland, Larson, Ingram, Howe J., Allen, Goodwin G., Johnson, Bigelow, Cady C., Kenerson, Reid, Lawrence J., Horwitz, White, Lathrop, Gay, James, Temple, Mulliken.

Third row — Brown, Campbell D., Schwartz, McKee, Phillips, Darst P., Gladding, Bram, Utter, Maher, Russell, Tucker, Brierley, Hovey, Hockmeyer, Collins, Ellis, Seales, Terrill, Hamilton, Chisholm, Beach, Bacardi.

Fourth row — Flanders, Savignano, Hartley, Vickery J., Fitzherbert, Bell, Merrill, Hills, Starr, Koehler, Blake J., Young, Avery, Jewett, Cherry, DeLima, Weisenbach, Pring, Meyer O., Salkaln, Walega, Adams.

As always, the sophomore class has endeavored to find a place for itself in the life of the school. Having cast aside the expectant freshman aid and adopted a more sophisticated bearing worthy of a new position, this class has at last found its place in the school.

We have seen a very noticeable advancement in this year's sophomore class. With many outstanding boys leading the way, the group has shown its desire in both academic and athletic achievements during the past year.

With a background such as this next year, the class will surely bear out a strong junior class tradition.

Freshman Class

First row — left to right — Griffith, Hallenbeck, Pease A., Caswell, Holthausen, Burke, Hilfer, Marino, Davis J., Smith D., Williams S., Sapienza, Merry D., Katz, Crockett, Mino, Haskett, Mather, DeNicolais, Finn, Symonds, Pinto, Chapman P.

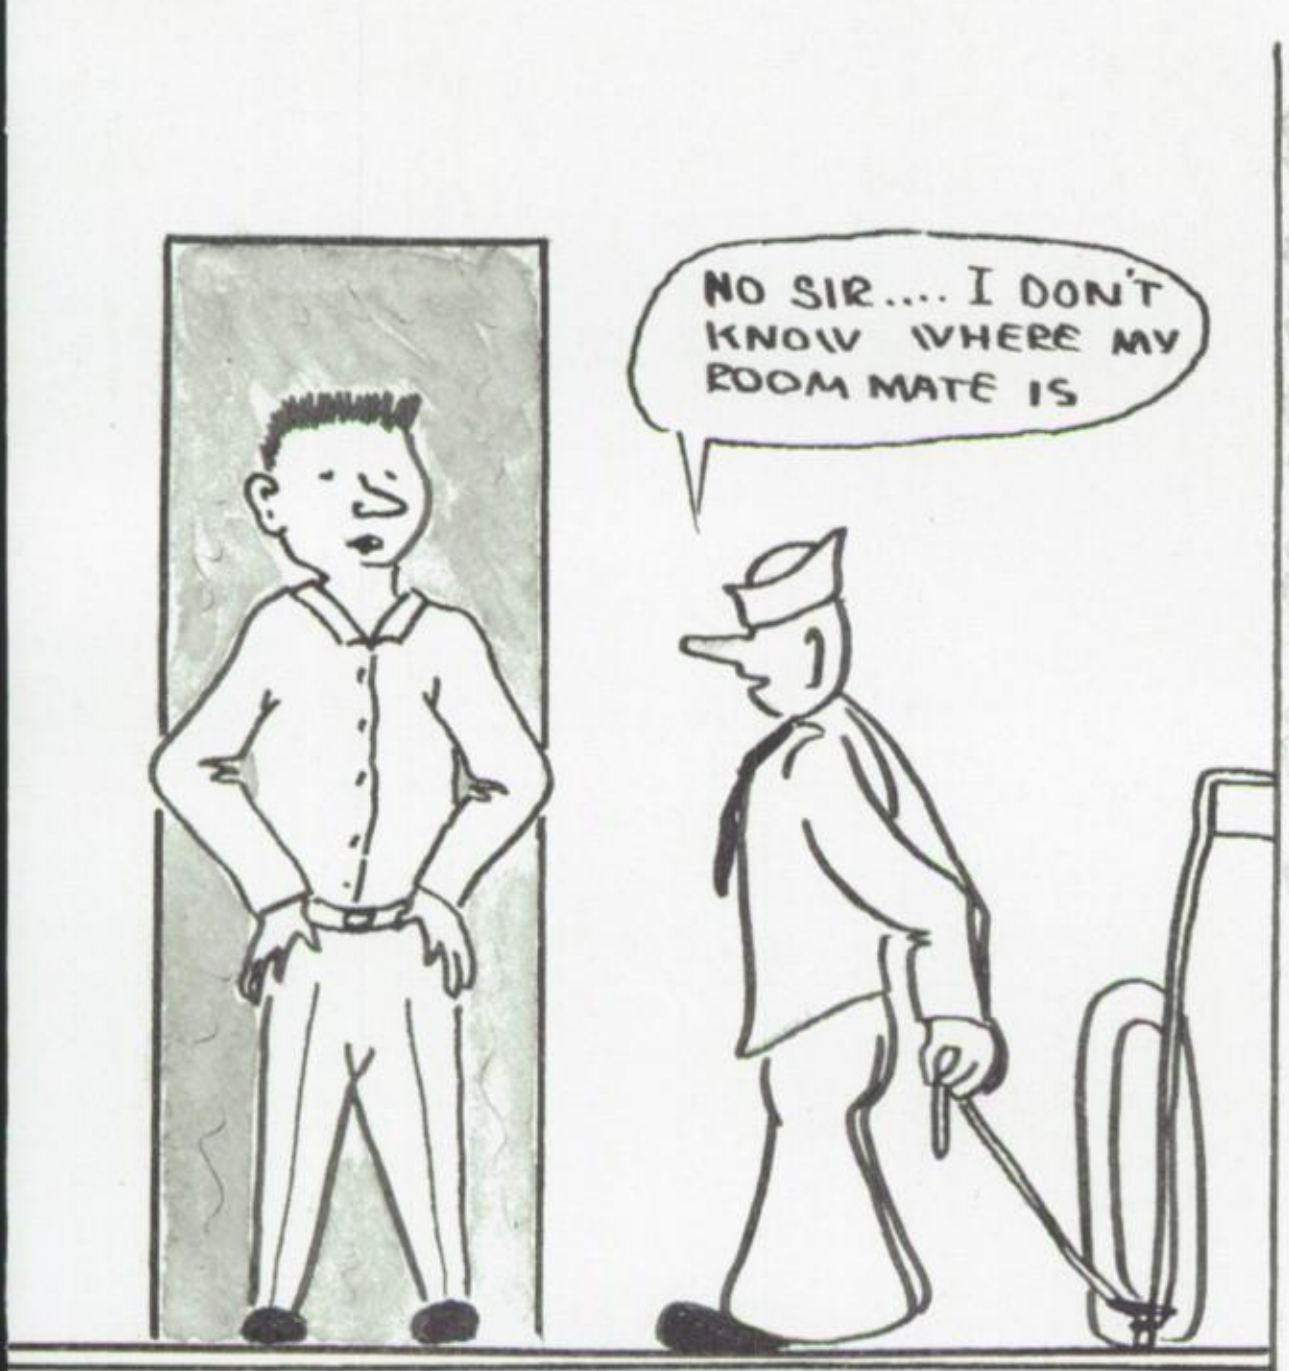
Second row — Fuess, Morgan T., Plumb, Santaniello, Cunningham, Tuttle J., Beautyman, Cabral, Aubin, Hornblower, Smiley, Tye, Necarsulmer, Long J., Martin, Clark A., Tjeder, Anjoorian, Woods R.

Third row — Shain, Trivers, Morison, Hall S., Millspaugh, Kalat, Greene, Stringer, Moore M., Boardman, Mullowney, Gomez, Mabbett, Gray, Chauncy P., Henry P., Eames R.

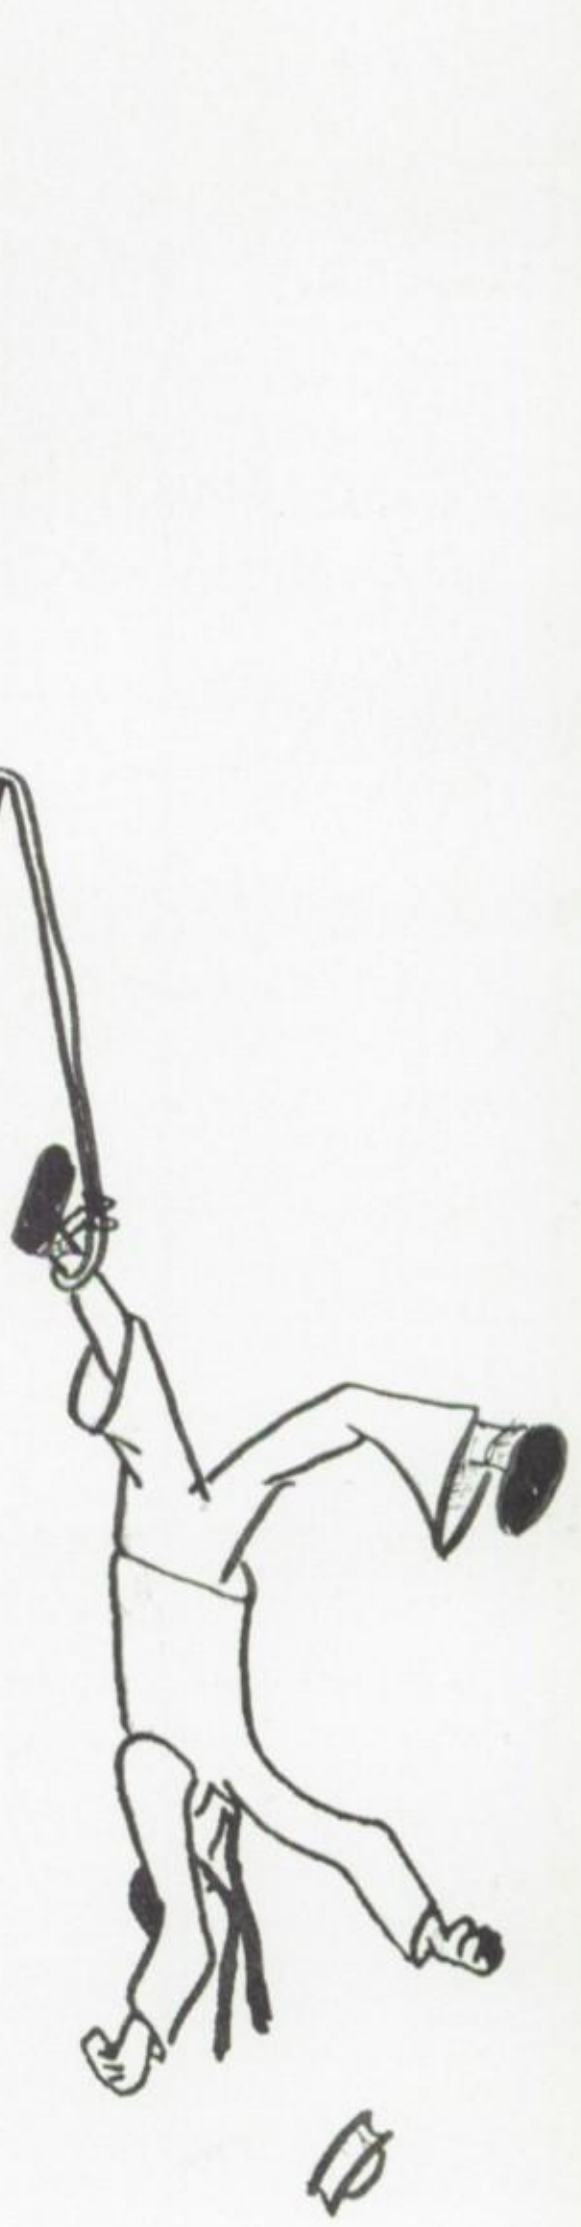
This year, the freshman class has made a good impression upon the faculty as well as other members of the school. In September, they arrived at Tabor, as freshmen classes always have, a little homesick and perhaps a bit shy, but they soon adapted themselves to the general trend of school life. After this the freshmen definitely became an important factor on the Tabor campus.

In many respects the freshman class this year is a strong class in that they have met the academic challenge which has confronted them and have taken an enthusiastic point of view towards their athletic responsibilities.

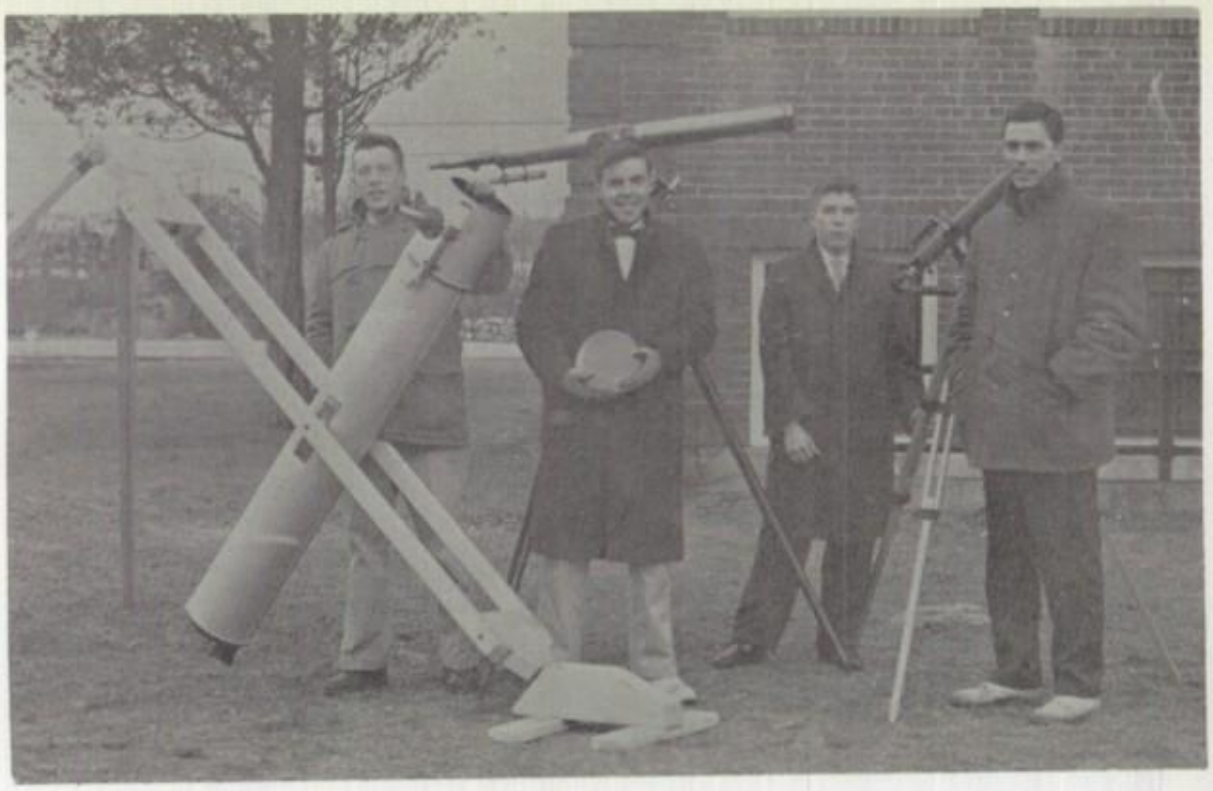
Mr. Trautman, Ray Streit and Brad Clarke should be commended for their understanding guidance and leadership which they contributed to this year's class. They have helped considerably in molding those who will lead the school in 1963.



BRIEF GLANCES



I could do this with one leg tied behind me!

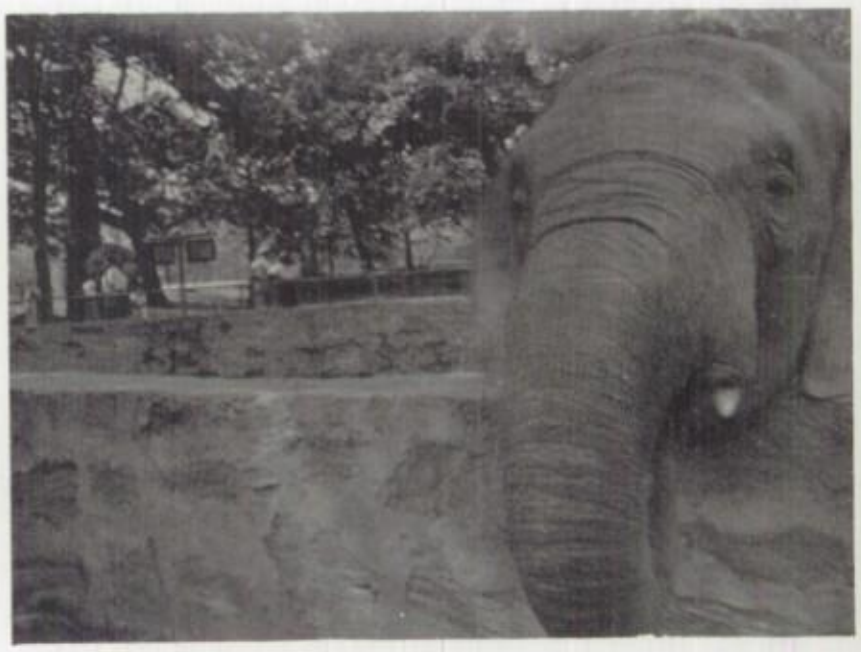


If we ever get to Mars, we can be FORE(IG)N Students

The schooner crew will be chosen this year on the basis of experience.

Now, as you can see, last year we made THREE goals, but, of course that was for the SEASON.

Even if we DO get to Nassau, we'll never pass Customs!



Where were you for Sports today, Gibbons?

There's "room at the top" for all us THINKERS Ray.

Aw, sir, you know you have nothing to worry about as long as I'M playing.

Bye, Ted see you at the Winter Dance!

What we needed was a dummy to lead us!

A Dainty Maid is always welcome at Tabor!

I hate to play with these fellows who take so long to make up their mind!

If it doesn't stop by half-time, Bob, we'll give you another transfusion.

These new cars really TAKE OFF-

I think I forgot something.

What, me worry?

To the rear — march!

Hmm, he looks harmless enough out here in the broad daylight.

How many times do I have to tell you, Kakas, — our team has white uniforms today!

We'll take care of the house while you're gone, sir.

Hey, Turner, you're supposed to PIN him not SMOTHER him!

Mike "Hoffa" Naramore and his union leaders.

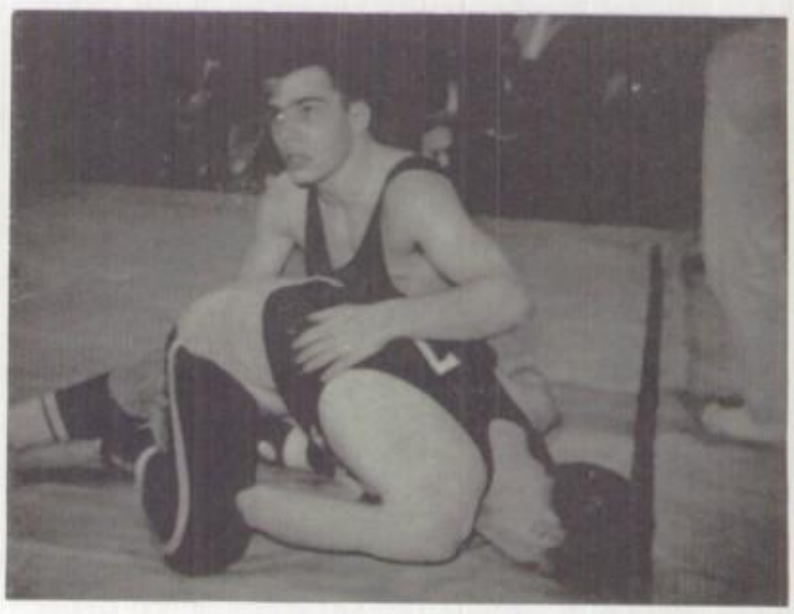
Five reasons why they drafted Elvis!

I want my Maypo!

This is a military band?!

My girl likes me because I'm DIFFERENT!

I don't mind living at Carlson House, but I hate riding in LAVENDER Cadillacs.



Shall I break the OTHER arm too, Coach?

Oooh — that TICKLES.

A strategic diversion!

Will someone please pass the comics section?

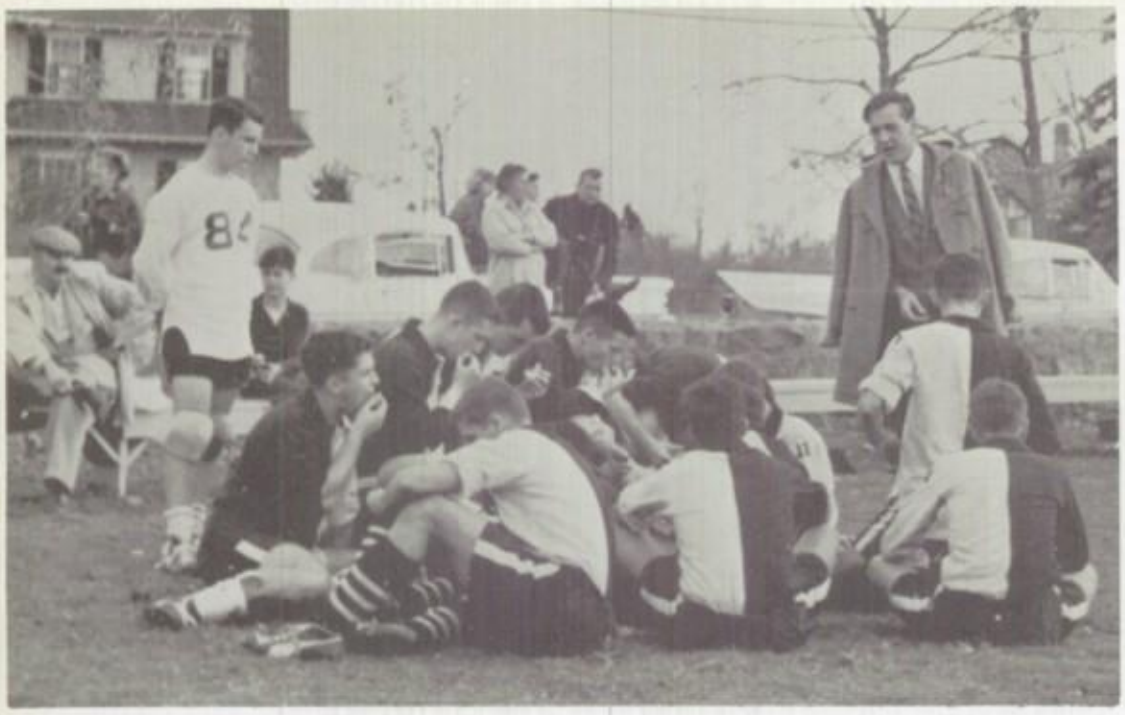
Don't worry — just a little off between the ears!

If I were REALLY smart I'd grow a mustache, TOO, and maybe even a BEARD!

If we stand here long enough maybe we'll get enough money to eat downtown.

Shall I shoot him BEFORE we mount him?

Wish they would keep their boats off my hockey rink.



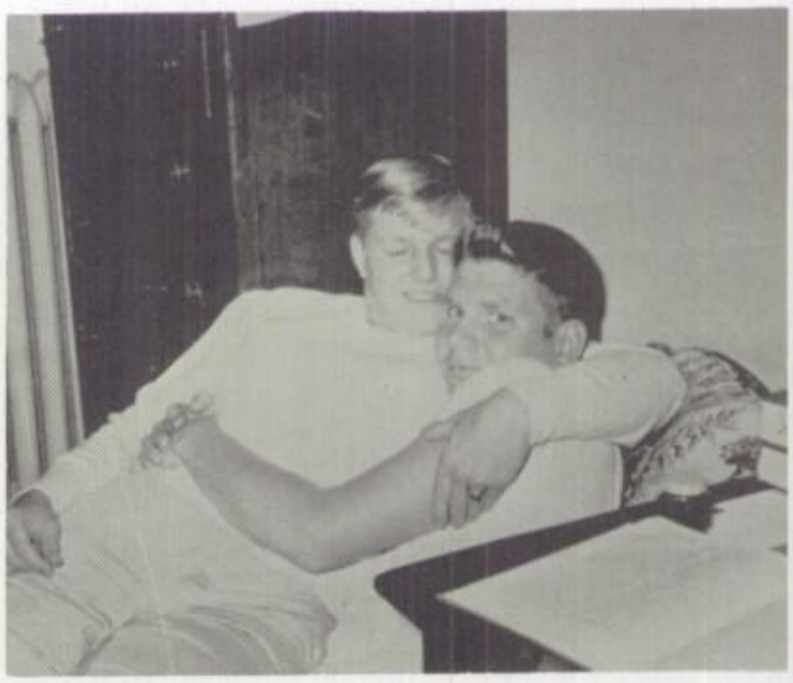
Can't you get it through your thick skulls that the OTHER team wants to win TOO?!

What's Squaw Valley got that we haven't?

Are you sure we're playing AT HOME today?

The police will NEVER find me in all this confusion.

Look back, Jerry, and see if the other team is still chasing us



At least SOMEBODY loves me!

If the game gets close, I may even use my RIGHT FOOT!

Trying to give me trouble, Clarke?

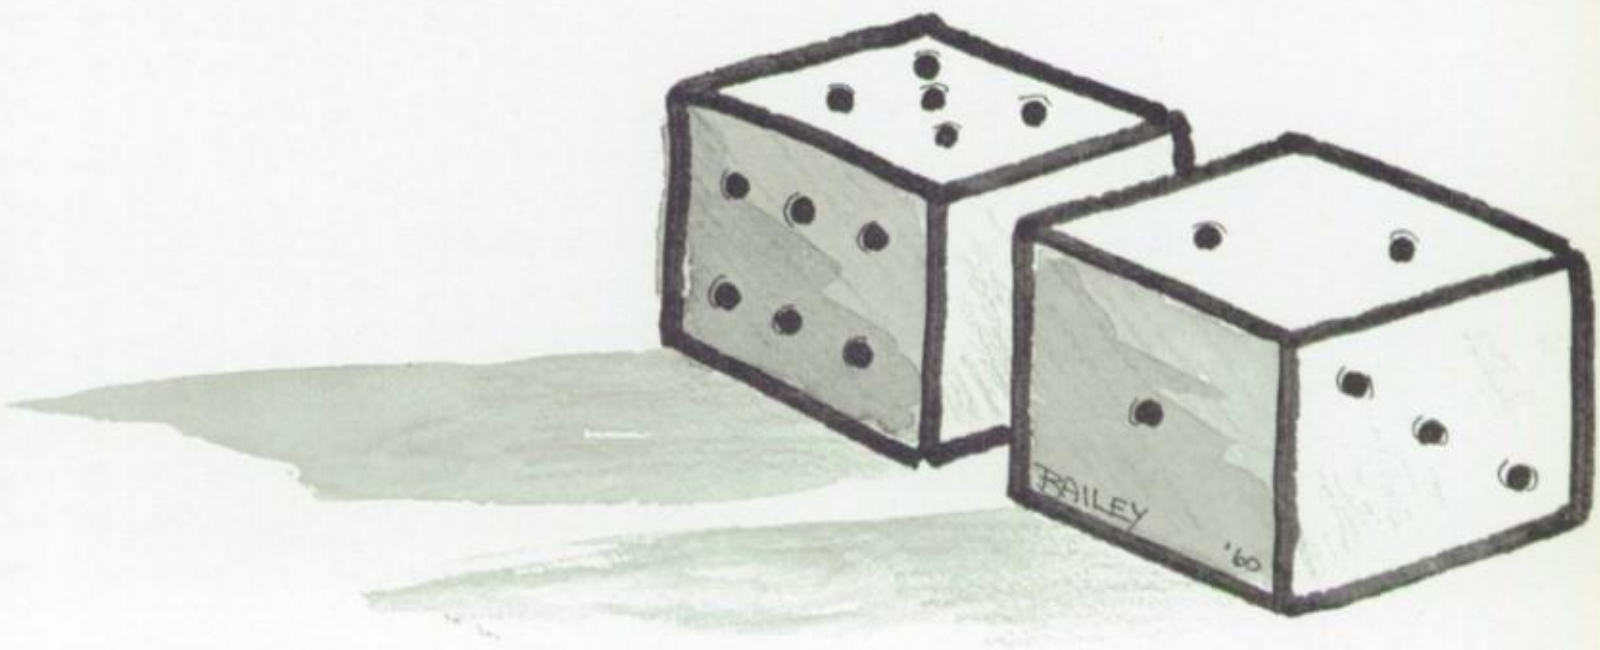
I wonder if the Headmaster's house is still there?

Even his best friend won't tell him!

And when you get to the Thames River, turn left.

You're REALLY very light on my feet.

ACTIVITIES



Tabor Council

Seated, left to right — Kakas E., Mason R., Evans.
Standing — Jackson, Tuttle F.

An important facet in student-administration relations is the Student Council. The Student Council at Tabor handles many minor disciplinary problems and also acts as the voice of the student body, making proposals for the betterment of the school and school life. As representatives of the students, the Student Council, along with the senior class officers, selects the senior class gift and the dance committee for the senior prom. The fall sports rally speakers, the rally chairman, and the baccalaureate speaker are also chosen by the Council. Thus, the Student Council is one of the most influential and important organizations in the school.

Because of the aforementioned responsibilities to the student body, the election of the Council is entrusted to the entire school. Each spring the students select four members of the in-coming senior class to be their representatives. Then, during the winter term of the next year, one more representative is elected from the senior class. The students should base their choices on leadership, integrity, and responsibility. The person they elect should be the student who they feel is the best representative of Tabor Academy.

Cum Laude Society

Seated—left to right—Tuttle F., Mr. Smart (Faculty Advisor), Gilbert, Sedgeman.
Standing—Jackson, Woods W.

The Cum Laude Society at Tabor this year has been a very active organization. The members conduct meetings about every two weeks in which they discuss topics of interest. This year, they discussed the possibility of establishing an honor system at Tabor, the elections of officers and of the new members to the Cum Laude Society, and other topics ranging from "Your Future after College" to "Is the Present Stress on Advertising Good or Bad?"

This year Mr. William G. Avirett, Executive Associate of the Carnegie Endowment for International Peace, was the speaker at the annual Cum Laude initiations. The following were initiated into the Cum Laude Society for 1960-1961: Richard Blasdale, Malcolm Campbell, Gerald Davis, Michael Evans, Herbert Jenkins, Robert Kraemer, Anthony Miller, Richard Pierce, Harold Weintraub, William Whitcomb and Anthony Wine. Members elected to the society last year included: Roger Gilbert, Eliot Lifland, Karl Jackson, William Sedgeman, William Woods and Frederick Tuttle, President.

Debating Club

Left to right — Jackson, Blasdale, Sedgeman (President), Rowland, Marchisio, Woods W.

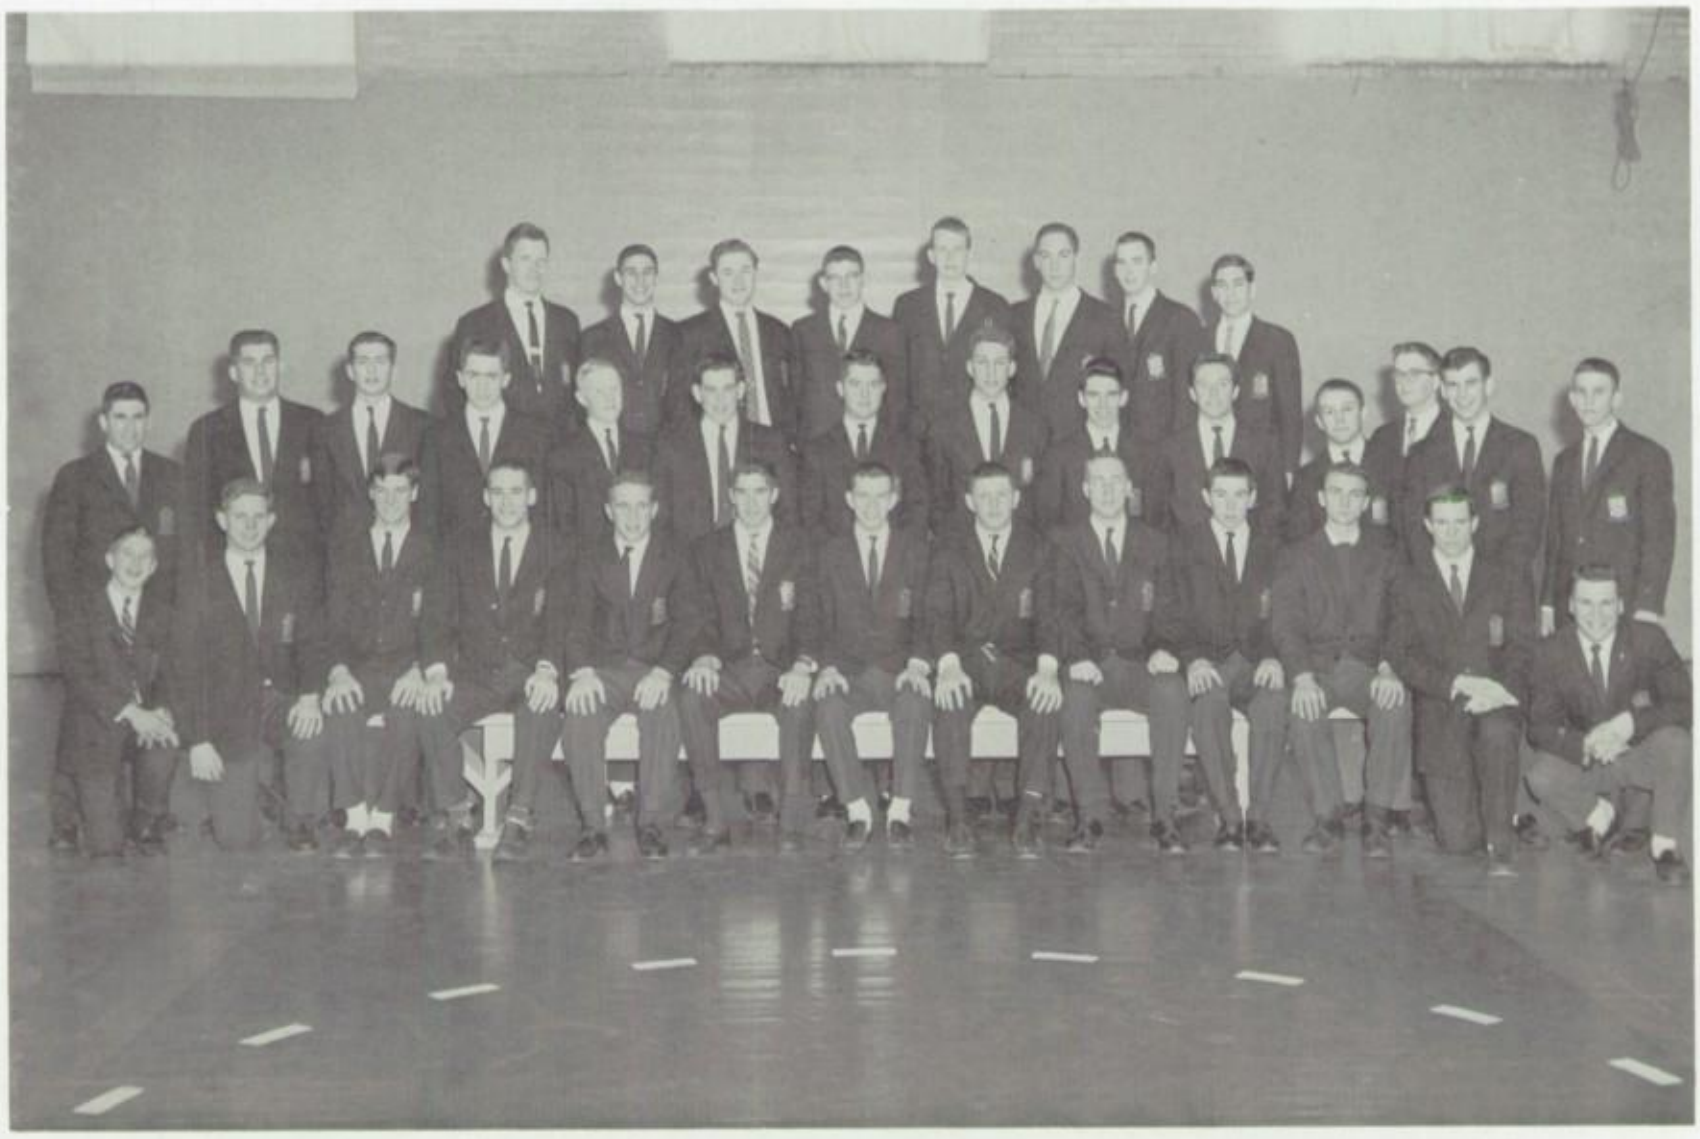
This year much enthusiasm for debating prevailed throughout the school. Through the leadership of Mr. Dibble, the Debating Club's faculty advisor, the quality of debaters has steadily improved, and with only two or three of the team's members graduating this year, the outlook for next season appears very favorable.

The Debating Club engaged such schools as Noble and Greenough, Portsmouth Priory, LaSalle Academy, and the Roxbury Latin School. Other events on the calendar included participation in the New England Debating Tournament which was held at Williams College.

The topics which were discussed by the Tabor team included the adoption of arbitration in the settlement of all labor disputes arising in the basic industries and whether or not Congress should be given the power to reverse the decisions of the Supreme Court.

The Club enjoyed a good season not only from the standpoint of debates won, but also from the experience gained by its members.

Log Staff



First row, left to right — Katz, Baker, Rowland, Kunian, Mason, Davis, G., Campbell, M., Clayman, Sedgeman, Evans. Woods, W., Tuttle, F., Gilbert.
Second row — Hackel, R., Blasdale, English, Whitcomb, Booth, Necarsulmer, Pierce, C., Kellogg, Hackel, M., Burwell, Jackson, Chornyei, Rhoten, Birdsall.
Third row — Heyman, Graboys, Bailey, Calvin, Marchisio, Weintraub, Utter, Weiner.

"THE TABOR LOG" is by far the busiest, most productive organization on campus. Many new features were initiated by this year's staff. The new masthead, the "Marlin Spike", and the Literary Page were only a few. The latter has not only presented good literature but has also promoted extra-curricular writing, an essential part of our education.

The enthusiasm that is shown by the school for the "LOG" is evidenced by the number of boys participating in the writing, editing, and publication of the paper. The function of the "LOG" is self-explanatory: to report on every aspect of the school program.

The "LOG" is a member of the Columbia Scholastic Press Association and co-operates actively in its educational training programs.

Mr. Smart, the faculty advisor, Malcolm Campbell, the Editor-in-Chief, and the entire staff deserve a great deal of credit for another year of successful newspaper publication.

Glee Club

First row, left to right — Moore S., Blake F., Savage, Ingram, Mason D., Gilbert, Fawcett, Conti, Van Zandt, Kearsley, Jennings, Vanderwarker, Pierce C., Baker, Rovetti, Wiener, Alley, Sumner, Sargent, Hills, Utter.

Second row — Bertrand, Kottek, Place, Fitzherbert, Hallen, Bacardi, Miller A., Swartz, Lawton, Billings, Luke, Craig, Williams C., Pollan, Cederholm, Piehler, Campbell M., Sears, Shore, Rowland, Banister, Phillips, DeLima.

Third row — Hill R., Lawrence P., Parrish, Hill D., Tobey, Bolton, Cady C., Calvin, Seale, Flanders, Cajale, Meyer, Savignano, McNeer, Giacaman, White, Hovey, Eames R., Gerow, Schutt, Cunningham, Pease F., Eldridge, Merrill.

Fourth row — English, Marchisio, Blasdale, Kellogg, Bell, Langdon, Dunn, Pease H., Pratt, Blake J., Fullam, Jewett, Chauncy S., Howard, Keyes, Holm, Heath, Turner, Ormondroyd, Trafton, Morgan G., Kunkel, Farrel, Ray.

Seated, left to right — Schutt, Shore, Quartier.
Standing — English, Williams C., Pratt, Keyes, Moore S., Dunn, Swartz, Langdon, Merrill.

Augmented Eight

The Octet once again has pulled through with a superior singing group. With a change in number, they have taken a more appropriate name, "The Augmented Eight."

Some of the old favorites and some of the newer tunes sung by the group include, "Susie Brown", "Smoke Gets in Your Eyes", "The Trouble with Women", "Until There Was You", and the favorite of Tabor, "De-I-Ole Um Dum."

With their pleasant sound and eagerness to get ahead, guided by the help of Mr. Maxwell, the Augmented Eight of 1960 has been acclaimed the best yet.

Glee Club

This year's Glee Club was one of the finest in the history of the school. It was, to be sure, one of the largest. This Tabor Academy Glee Club upheld the tradition of being one of the finest singing organizations in New England. This was accomplished by hard work, long hours of practice, and the marvelous direction of Mr. Wickenden, the Headmaster.

The highlights of the year were joint concerts with Dana Hall, Mary C. Wheeler, Lincoln, Walnut Hill and House in the Pines. At these concerts we sang such songs as "The Road to Mandalay", "The Wind Blows over My Shoulder", "Hallelujah Chorus", and many other fine songs.

The season ended with a wonderful concert on Spring Day, thus bringing to a close another fine year in the history of the Tabor Glee Club.

Swing Band

Front row, left to right — (Saxophones) — Bertrand, Jenkins, Conti, Hayes, Mr. Pandolfi.
Second row — (Horns) — Henry P., Blasdale, True, Beach, Myers R., Sumner.
Third row — (Piano) — Henry J.; (Guitar) — Keyes; (Drums) — Dripps; (Drums) — English.

This year's Swing Band really did swing. With Mr. Pandolfi to lead again and veterans Chip Hayes, Ray Conti and Bob Myers to give the new band members encouragement, the group worked remarkably well together.

Dick Sumner, Bill Blasdale and Dick True, playing for the second year in the brass section, and Lee Jenkins on sax, completed the list of old band members.

David Keyes, with his electric guitar, was a welcome addition to this year's band. Bob Dripps and Jim English on drums, Steve Brown playing the bass, the Henry twins, Doug Beach and Bill Bertrand comprised the rest of the band.

Uniformed this year in red blazers, the traditional jobs of the Swing Band were the Marion P. T. A. dance, music for Spring Day, and the Tabor Glee Club dances.

Marching Band

Mr. Pandolfi (Director), Bruce Shore (Drum Major).
First row, vertically, front to back — True, Jenkins, Hackel R., Sumner, Tobey, Howe J., Jennings, English, Hudson W.
Second row — Woods W., Henry J., Smith D., Weintraub, Hotchkiss, Crockett, Myers C., Calvin.
Third row — Johnston, Bertrand, Hallenbeck, Beach, Gerow, Wine, Eldridge, Shain.
Fourth row — Blasdale, Hayes, Rosenberg, Woods R., Myers R., Bolton, Campbell M., Dripps.

Everybody knows that a snappy marching unit is nothing without a good band. Tabor had a very good answer to this situation with its marching band.

The marching band was composed of about thirty-four members. The instruments ranged from a little five inch flute to the king of all brass horns, the tuba. Like the school's two marching companies, the marching band practiced every afternoon and participated in all military maneuvers.

The marching band's importance was shown by the fact that it was the mainstay in nearly all the parades in the town of Marion.

Robat Club

Seated, left to right — Mr. Sweeney, Hill R.
Standing — Howe G., Kunian, Pease H., Sumner, Evans.

This year's Robat Club, under the most capable guidance of Mr. Sweeney, has added an additional two members over last year's four members.

The Robat Club is concerned with the selection of all the movies, and the arranging of the lectures, rallies, and other similar activities during the school year.

The Robat Club has had an unusual amount of work to do this year and each member deserves much credit for a job well done.

Art Club

Seated, left to right — Rittmaster, Howard.
Standing — Merry, R., Keyes, Mr. Lavoie.

This year's Art Club has proved to be very successful. The work of two boys in the club, Dave Barten and Dave Keyes, was accepted in a contest sponsored by the Boston Globe. Dave Barten received a Certificate of Merit, and Dave Keyes received a Gold Key as well as a Certificate of Merit.

The Art Club is organized in such a way that one is required only to keep busy doing the thing he enjoys. It is this fact that makes the club so successful.

Under the excellent supervision of Mr. Lavoie, the boys are allowed to work in five main areas: pencil sketching, oil and poster color, painting, sculpturing, and ink drawing, but if anyone comes up with a new idea, he is welcome to experiment with it.

One of the high points this year occurred when several members of the club went to Portsmouth Priory to see a new chapel and monastery under construction there. It was certainly worth the effort.

On Spring Day, the Art Club, as well as the art classes, presented an exhibition of all its works. This was very interesting because the boys had so many different ideas and styles.

Math Club

First row—left to right—Tucker, Wine, Kottek, James, Jewett.
Second row—Kraemer, Marchisio, Lawton, Evans, Jackson, Hotchkiss.
Third row—Calvin, Butterworth, Shrut, Heyman, Mr. Sweeney, Weintraub, Thomas, Pinel, Myers R.

This year, under the able direction of its faculty advisor Mr. Sweeney, the Mathematics Club held meetings in the Hayden Library-Science building. For the most part these meetings were discussions on problems relating to mathematics or science. There were also reports on the various projects in which each member was engaged.

Besides these meetings, the club took a few trips, the highlight of which was a tour through Francis Associates. This firm is engaged in designing and building computers and other instruments used by the government in its ballistic missile program.

A new undertaking of the club this year was the participation of several members in a national mathematics contest. Prizes were donated by several local firms and a number of the contestants placed high in the national ratings.

The officers in this year's club were President Michael Evans, Vice-President Karl Jackson, and Secretary Bob Gunning.

Electronics Club

Front row, left to right — James, Bruce, Rhoten, Gilbert, Pinel, Tucker, Heyman, Shultz.
Back row — Birnbaum, Eldridge, Borton, Schling, Savage, Spectre.

The Electronics Club, which was started early this year, is a club for those who wish to learn about electronics and to design and construct various electronic equipment. The clubroom has facilities for five to eight boys to work on projects and there are weekly meetings during which time they discuss the various aspects of theoretical and practical electronics.

Some of the topics discussed this year were: basic electronics, multi-channel stereo, and electrical firing systems for the Rocket Club. Several boys constructed simple electrical circuits using the recently purchased "ten in one" electronics kit. Some projects suggested for the future were: a recovery transmitter for the Rocket Club, some high-fidelity components, and several laboratory test instruments. The Electronics Club can look back on a particularly productive year.

Navigation Club

Front row, left to right — Hackel M., Mr. Muzzey, Vanderwarker, Mason R., Leighton.
Back row — Jackson, Pease H., Banister, Boardman, Naramore, Farrel, Lawton.

Since its beginning in 1959, the Navigation Club has grown in popularity to a group of fifteen active members. All members of the club receive valuable experience in many phases of navigation.

This year the club saw many informative movies and held many interesting discussions. Each week one member gave a short talk on some aspect of navigation, after which there followed many excited controversies.

Under the leadership of Mr. Muzzey the club has progressed far. Much interest has been stimulated by his work.

Print Shop

Front row, left to right — Campbell M., Vanderwarker, Jaeger, Clayman, Dunn.
Back row — Holthausen, Minnich, Thomas, Bailey, Mainelli, Crockett.

The Tabor Academy Print Shop is a small but nevertheless efficient and invaluable organization on the campus.

Under the leadership of Frank Jaeger, this year's president, the Print Shop made great progress. Thanks to the new heating system and printing press, the Print Shop was able to run on a more efficient schedule.

In addition to the numerous jobs the Print Shop does for the benefit of the Academy, the members also found time to print (quite professionally) stationery and letter-heads for their fellow students. This was not only profitable to the members but rendered a great service to the students.

By necessity the Print Shop must limit its membership, but in the future it is hoped that this worthwhile organization will enjoy a larger working area.

Photography Club

Seated, left to right — Jewett, Mr. Lavoie, Wiener, Heyman, Spectre.
Standing — Tjeder, Tucker, Hackel, R., Fuller, W., Hornblower, Morgan, T., Calvin.

The Photography Club, led by its President, Pete Wiener, Secretary, Joe Heyman, and sponsor, Mr. Lucien Lavoie, has shown more enthusiasm and interest than in previous years.

The new facilities in the basement of Hadley Hall have enabled the club to expand its membership. The majority of the members' time was spent in the dark room where they became proficient in developing and printing photographs.

Every three weeks the students turned in at least one of their best prints, enlarged to either 5 x 7 or 8 x 10. Then a meeting was called, and the members discussed each picture on the basis of composition, how well it was printed, how it could have been improved, etc. The quality of the work done by this organization has improved greatly, and many of the pictures used in the yearbook and the school newspaper were taken and processed by these members.

Dramatics Club

Front row, left to right — Davis G., Holm, Rittmaster, Rowland, Clayman, Chornyei.
Back row — Piehler, Baker, Kellogg, Hayes, Jaeger, Gunning, Mason R., Howe J., Mr. Weisshaus.

This year the Spring Day activities were again ushered in by the Dramatics Club. Deviating from the performances in previous years, the club this year presented three one-act plays: "A Night in an Inn", "The Still Alarm", and "The Rising of the Moon". This division, giving more boys a chance to participate, was certainly a solid success as attested by the applause of a responsive audience.

Excellent performances were turned in by the entire cast. Special plaudits, however, should be extended to Peter Rittmaster, Mel Holm and Tony Miller for their fine acting.

Much of the credit for the success of the Dramatics Club this year was due to the expert directing of Mr. Weisshaus. In addition, Mr. Smart and his stage crew provided their usual efficient help "behind the scenes."

Russian Club

Front row, left to right — Ingram, Alley, Evans, Jackson, Calvin.
Back row — Shrut, Naramore, Mr. Hutchinson, Weintraub, Burwell, Pollan.

The Russian Club was formed in February of this year under the auspices of Mr. Hutchinson. At the first meeting, Michael J. Evans was elected president, and Karl Jackson, secretary-and-treasurer. The club had members from the first, second, and third year Russian courses. Meetings were held every Tuesday evening in the Headmaster's addition for one hour, at which time oral work in Russian, critical analyses of Russian literary works, and Russian folk singing were carried on.

Some of the club's projects were: scrabble in Russian, the Russian Spring Day exhibit, and the presentation of the Russian film "Stone Flower" before the entire school. We feel that the opportunity to use the language outside of the classroom greatly promoted the fluency of all members.

French Club

Seated, left to right — Dripps, Mr. Adams, Holm.
Standing — Howard, Pease H., Clayman, Rittmaster, Cajale.

The Tabor French Club is a new organization on campus, started this year under the able directorship of Mr. Adams and a small group of interested third and fourth year French students. The purpose of the club is to stimulate enthusiasm in the study of the French language. At the club's meetings, members discuss various topics in French and thus increase their vocabulary and pronunciation. The officers were Bob Dripps, president, and Mel Holm, secretary.

It is due to the able leadership of Mr. Adams and the elected officers that the French club was able to obtain a good start. We are sure that this organization will remain at Tabor for many years to come.

Chess Club

First Row, left to right — Gilbert, Howe, G., Rosenberg, Tobey.
Second row — Johnston, Jewett, Hotchkiss, Kunian, Ray, Merrill, Kraemer.
Third row — Mr. Weisshaus, Millspaugh, Shain, Wolf, Marchisio, Shrut, Heyman, Tucker.

In its second year of existence, the Tabor Chess Club has made great strides forward. Under the capable leadership of Mr. Weisshaus the Chess Club has learned a great deal.

The club has had two intersquad tournaments so far this year. In these tournaments the outstanding players have been Rick Marchisio, Kirk Tucker and Mike Rosenberg. There was also a match with New Bedford High School in which six men from each school participated. Next year the Chess Club is planning matches with some of the nearby prep schools.

Astronomy Club

Kneeling, left to right — Sumner, Rhoten.
Standing — Borton, Griffith, Marchisio, Heyman, Savage, Schling.

With the year holding in store for us a total eclipse of the sun on October 2nd, and a total eclipse of the moon on March 14th, the Astronomy Club quickly materialized and began planning for the future. With *Sky and Telescope* as hosts, we traveled to Winter Island in Salem, Massachusetts to view the total eclipse in early October.

Last year the club had not one telescope to call its own. This year we purchased a 2.4 inch refractor and had a loan of a 4 inch one. The large telescope that we had is also on loan and is an eight inch refractor. To take the place of the two "scopes" on loan, we started building our own 8 inch refractor. At this time, the optics to our "Big Bertha" are nearing completion.

All members that took an active interest in the club and used the telescopes, found themselves understanding more about our vast universe. The entire club graciously thanks Mr. Foren and Mr. Johnson who made the year so successful.

Skeet Club

Kneeling, left to right — Reed, Martin, Minnich, Schutt.
Standing — Hornblower, Chauncy P., Phelps, Chauncy S., Stringer, Naramore, Mr. Trautman.

Once more the Skeet Club has completed a safe and successful year under the leadership of Mr. Trautman.

The Club fired every Sunday afternoon at the powerlines, a short distance from the school. Each member fired from twenty-five to fifty rounds.

The members fired from all positions under strict rules. The clay pigeons were ejected from both hand and automatic traps donated to the club by Mr. Ellis, a master dedicated to hunting.

The purpose of the club, to sharpen up the shooting eye and to have a good time, was achieved.

Radio Club

Left to right — Lovell, Cunningham, Birnbaum, Burwell, True, Mr. Tuttle.

The Radio Club of 1959 - 60 accomplished a great deal in one very important area: increasing the number of licensed operators. Classes in Morse Code practice and in radio theory were held five nights a week during the winter term, with three members acquiring their licenses; two novices and one general class. This made a total of seven operators in the club, an increase of two over last year's membership. Since most of the members were underclassmen, the club can be assured of having sufficient interest in future years.

The operators, most of whom were novices, have been making good use of the equipment the club bought from last year's president. Also, the Navy donated a code keyer which facilitated instruction and practice. Constant use of this apparatus gave the members the proficiency necessary to pass their general class examinations.

Many thanks go to Mr. Tuttle, the club's faculty advisor, for contributing his knowledge of electronics and for giving his advice whenever it was needed.

SPORTS

Varsity Football

Front row left to right — Moore, Baker, Hudson, M., Jenkins, Evans, Sears.
Second row — Savignano, Streit, Zoch, Deneault (Co-Capt.), Mason R. (Co-Capt.), Kakas, E., Clarke B., Chauncy S.
Third row — Mr. Luchini, Rowland, Rittmaster, Holm, Ray, Pierce R., Clayman, Luke, Gugler, Mr. R. Wickenden.
Fourth row — Tuttle F. (Mgr.), Myers R., Ciccone, Dunn, Burwell, Shore, Schwartz, Ferris, Howe G.

The Varsity Football team soared to unparalleled heights this year, compiling a record of six wins and only two losses.

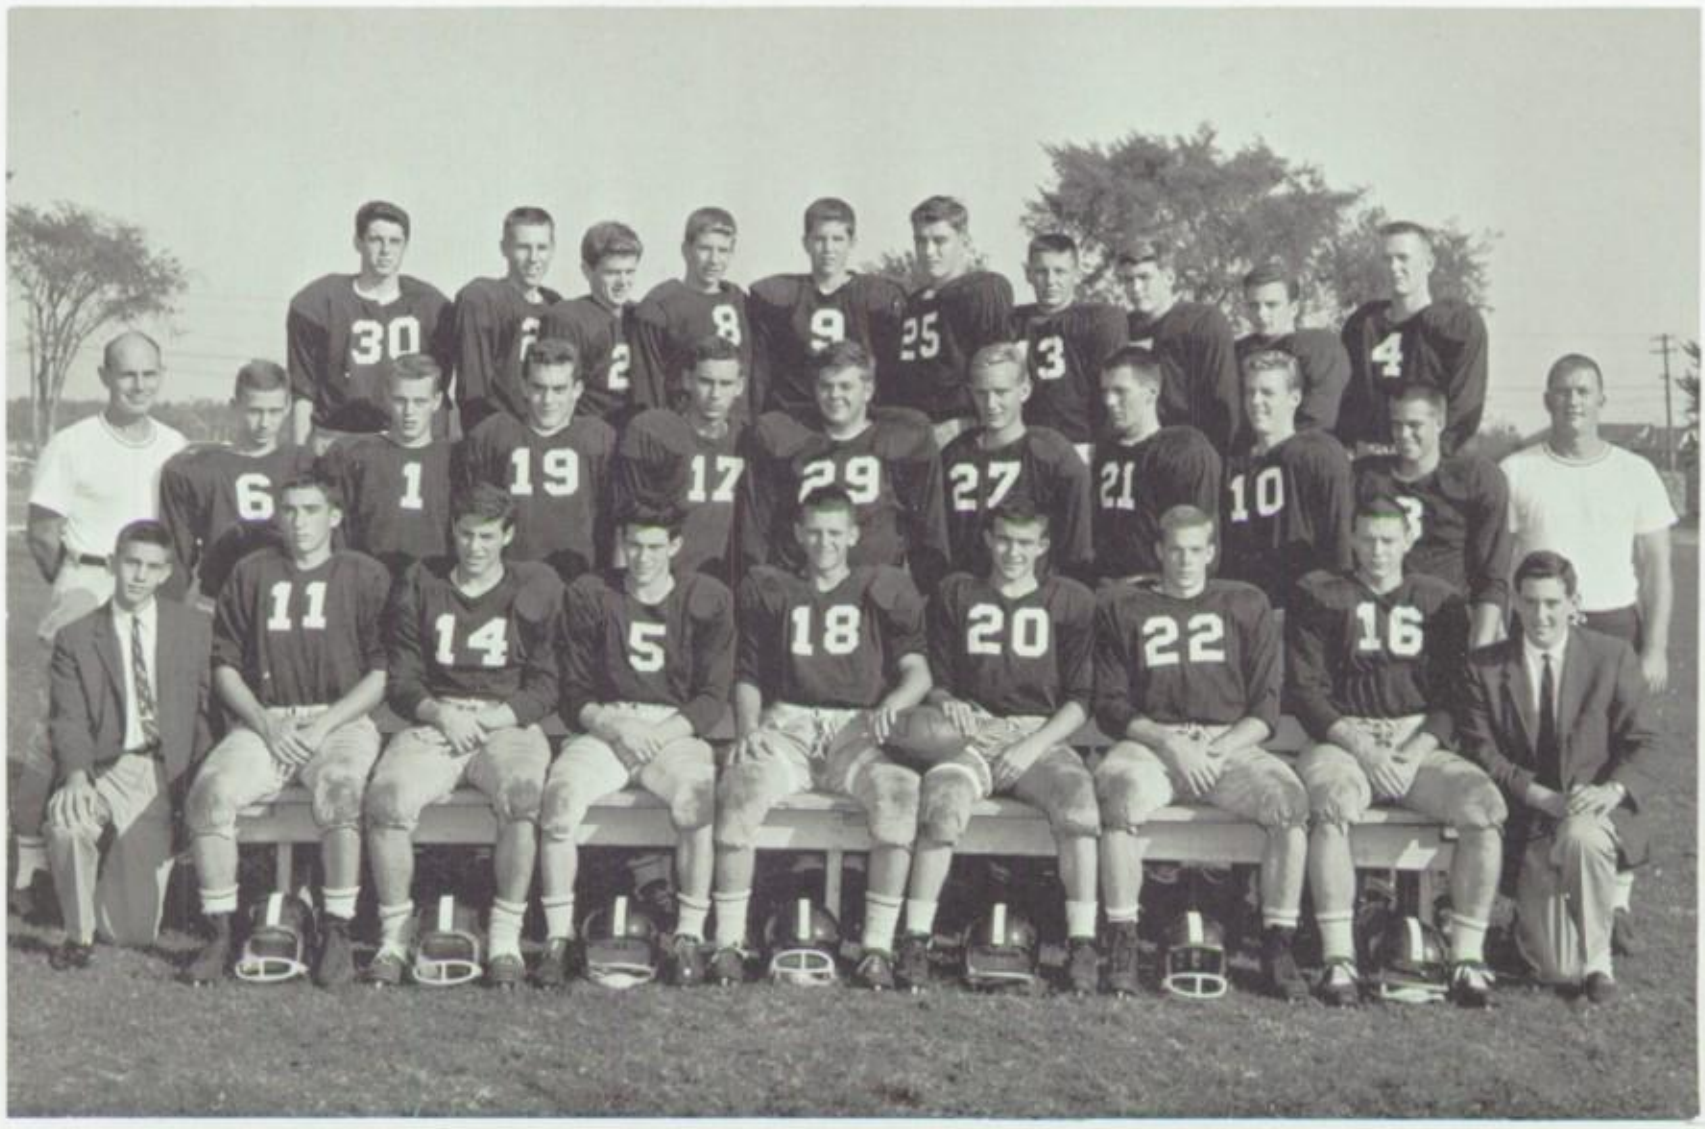
Fourteen lettermen, led by Co-Captains Bob Mason and Jerry Denault, started the season by losing the first two games to St. George's and Moses Brown. Then, as the season progressed, and the team gained confidence and experience, Coach Luchini's forces found themselves.

Barring the first quarter of the Wilbraham game, no opposing team was able to score a point against this group. The opponents, in order of their defeats, were: Avon Old Farms, Portsmouth Priory, St. Sebastian's, Thayer, and Somerset High School.

Coach Luchini was highly pleased with this year's team. Line coaches Richard Wickenden and Thomas Buffinton were also proud of the fine offensive play and the perfect defense in the last six games.

This year's varsity was a fine team and will be long remembered here at Tabor.

Junior Varsity Football



Front row, left to right — Birdsall (Mgr.), Kraemer, Shrut, Cantor, Mason D. (Co-Capt.), Pollan (Co-Capt.), Darst P., ter Kuile, Necarsulmer (Mgr.).
Second row — Mr. Tuttle, Bolton, Meyer, Clark P., Matthews, Fitzherbert, Blake J., Burt, Williams G., Chapman G., Mr. Trautman.
Third row — Kaup, Kelley, Love, Terrill, Stringer, Koehler, Sproul, Kidder, Staley, Chornyei.

Much tribute should be paid to this year's Junior Varsity Football team. Although the team did not compile a highly impressive record, it never once lost its fight. Inexperience was a contributing factor in the team's record, but morale and spirit remained superb throughout the season.

The team's determination and spirit can be attributed to the unceasing efforts of Messrs. Trautman and Tuttle. The training given to the members of the J. V. team by these two men will be a sturdy foundation on which can be built a strong Varsity team next year.

The backfield, led by Bruce Shore and Orin Meyer, operated from a "T", coupled with a highly effective single wing formation. Outstanding line players were Phillip Darst and John Blake, who will undoubtedly see varsity action next year.

If this year's J. V. team is any indication, the future of football is indeed bright at Tabor.

Middler Football

Front row, left to right — Tye (Mgr.), Avery, Reid, Cunningham, Graboys, Kakas G. (Capt.), Myers, C., De Lima, Millspaugh, Kenerson, Pinto (Mgr.).
Second row — Mr. Burbank, Chisholm, Hall S., Shapiro, Blethen, Desmond, Pinel, Vickery J., Chauncy P., Tjeder, Hudson W., Mather, Eames (Mgr.), Mr. Cederlund.
Third row — Griffith, Gray, Fuller W., Morgan T., Cherry, Brown, Utter, Lawrence J., Tuttle J., Katz.

The Middler Football team ended its 1959 season with the first undefeated record since the team was organized. Under the able coaching of Messrs. Burbank and Cederlund, the Middlers compiled a 5-0 record, defeating such teams as Lawrence High of Falmouth, Portsmouth Priory J. V.'s, Hatch J. V.'s, and St. George's freshmen.

As in the case of the Junior Varsity team, the purpose of the Middler team is not only to compete interscholastically but also to train future ballplayers for the Varsity team.

This year, under the leadership of Captain Jay Kakas, the Middlers have done just that — trained for the Varsity team in addition to having an enjoyable fall. In the future, the stars of the Middler team will be the stars of the Varsity.

Varsity Soccer

Front row, left to right — Ormondroyd, Hill R., Corson, Padilla G., Jaeger (Capt.), Mr. Gowing, Woods W., Piehler, Pierce C.
Second row — Trafton, Marchisio, Blake F., Hovey, Gilbert, Vaitses, Boyd, Hackel M.
Third row — Bacardi (Mgr.), Gunning, Long W., Place, Shen, Hsu, Mino, Gomez, Whitcomb (Mgr.).

With only four returning lettermen, Coach Gowing was faced with the difficult problem of fielding a team to play such strong opponents as Governor Dummer, Belmont Hill, St. Mark's, and Exeter.

The season's record of four wins, four ties, and three losses was not characteristic of an exceptional year, but it certainly was a good record. The experience gained by the underclassmen will be invaluable to next year's team.

The highlight of the season was the game with Exeter, played at Exeter, New Hampshire. A determined Tabor team handed Exeter its first defeat in the history of the many contests between the two teams. George Morgan led the Tabor team in this truly remarkable accomplishment, scoring both Tabor goals. Captain Pete Jaeger and Roger Gilbert also starred in that historic game.

Outstanding players for this season included Bill Padilla, Dick Hill, Pete Jaeger, and goalie Roger Gilbert. Players showing excellent potential for next year's team were: Ray Mino, Steve Ormondroyd, Bob Gunning, Dave Barten, Marty Hackel, and Dan Gomez.

Varsity "B" Soccer

Front row, left to right — Mainelli, Kellogg, Wolf, Mr. Lavoie, Kunian (Capt.), Banister, Jackson, Williams C., Notman.
Second row — Pease C., Durant, Wine, Hall L., Campbell M., Hallen, Pease H., Craig, Sumner.
Third row — Padilla R., Duarte, Savage, Woodruff, Heath, Fullam, English, Cederholm, Hackel R., Calvin (Mgr.).

Under the able, enthusiastic coaching of Mr. Lavoie, this team faced a ten game season against varsity high school teams in the Marion and Cape Cod areas. The team scored fourteen points, which is approximately ten points more than the total number of points scored in the Varsity "B's" short, three year history. Its over-all record was ten wins, one tie, and seven losses.

The great enthusiasm which the team showed was due to the efforts of the Captain, Denny Kunian, who supplied some much-needed power in the position of fullback. Also sparking the team by the scoring of goals were Charley Pierce, Doug Hsu, Bill Sumner, Sandy Pease, Mal Campbell, and Clark Williams.

Junior Varsity Soccer

Front row, left to right — Braga, Campbell D., Vickery T., Bucci, Booth (Co-Capt.), Parrish (Co-Capt.), Jewett, Holthausen, Plumb.

Second row — Mr. Stokes, Long J., Birnbaum, Smiley, Rosenberg, Salkaln, Hornsleth, Perkins, Godoy, Aubin, Woods R., Merry D., Lovell.

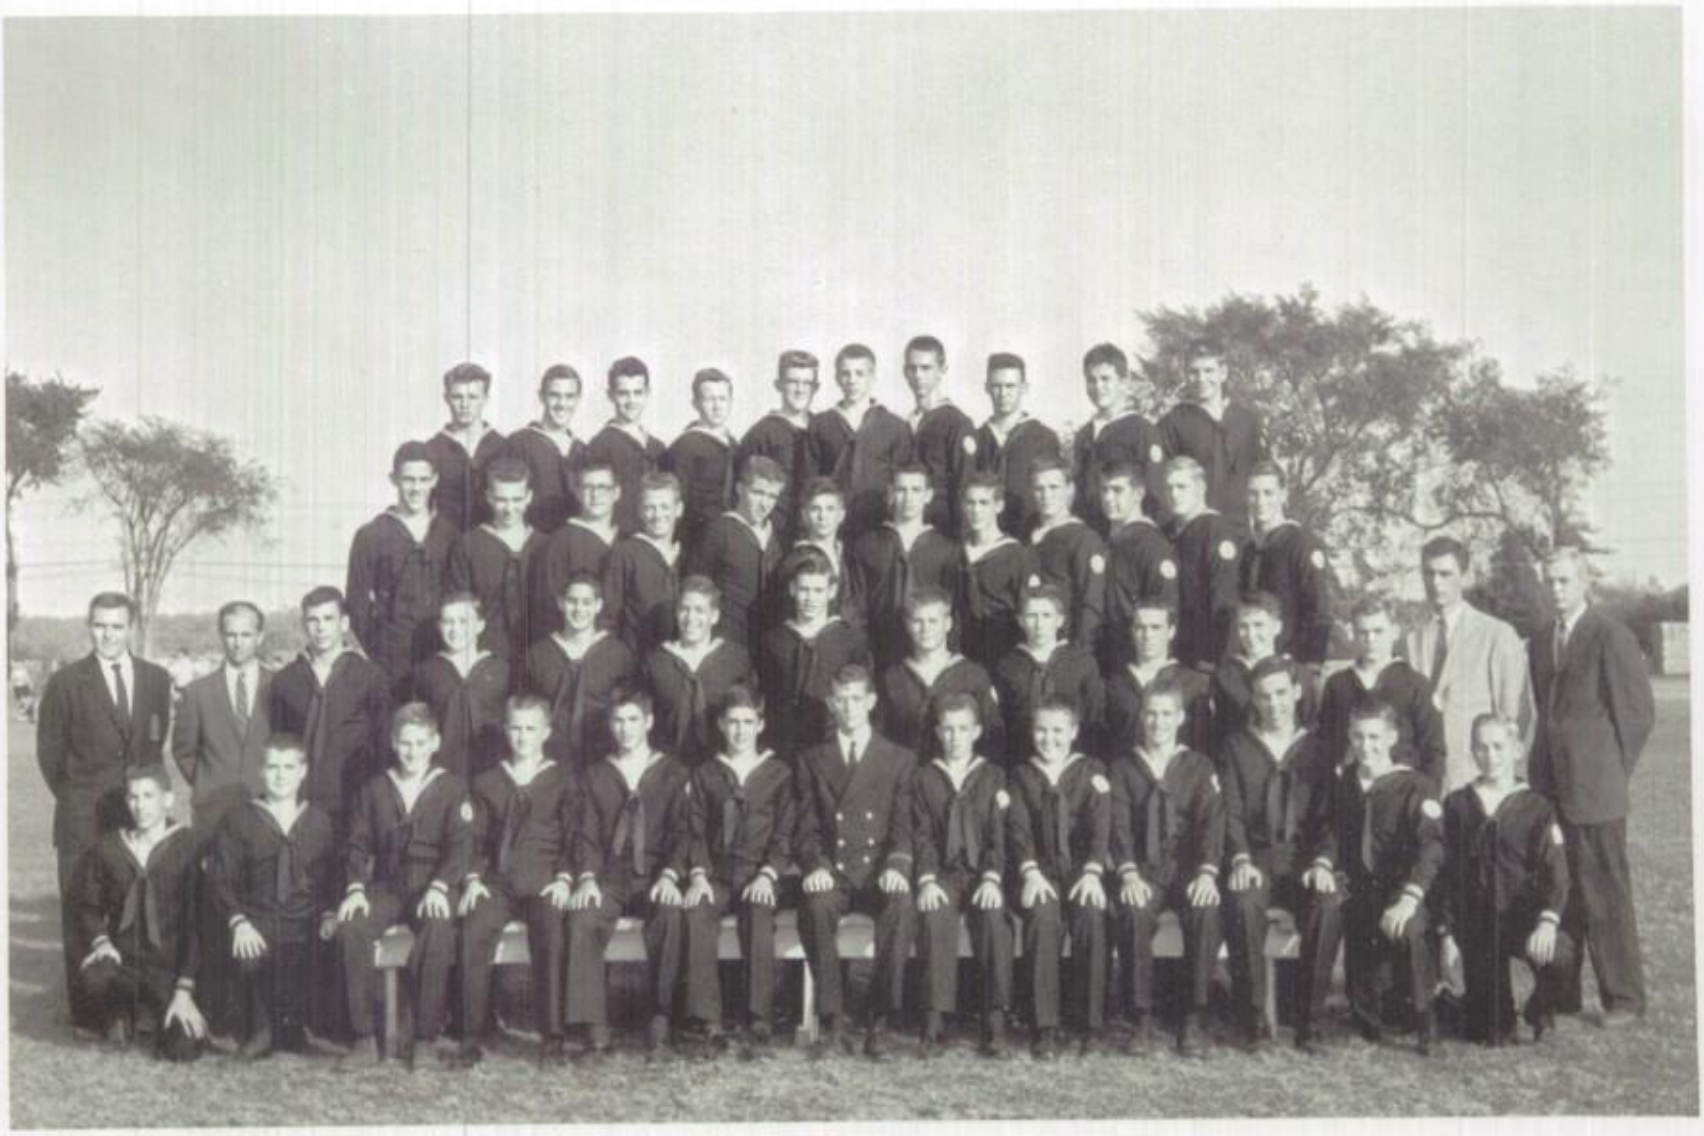
Third row — Stein (Mgr.), Larson, Ingram, Pring, Green, Merrill, Cady C., White, Fenton G., Crockett (Mgr.).

This year's J. V. team was quick-thinking and had a great deal of spirit. They never gave up their determination to win, often coming from behind to stage an ultimate victory. At the very least, the J. V. team always gave the opposing team an excellent game.

Mr. Stokes, the competent J. V. coach, had a very inexperienced team with which to work this year. Few boys had returned from last year's team, and the new boys, for the most part, had never played soccer before. Due to the unceasing efforts of Mr. Stokes and the Co-Captains, Jeff Booth and Dave Parrish, the team was molded into an efficient, smooth-running organization by the end of the year. The final record of this team was three wins and five losses.

It is difficult to single out any one superior player, but recognition should be given to Cy Cady, the center-halfback, and Gifford Fenton, the goalie. Many of these players will be valuable additions to the varsity team, due to their experience on the J. V. team.

Fall Sailing



Front row, left to right — Shultz W., Eldridge, Kemler, Williams S., Caswell, Chapman P., Dripps, Lawrence P., Davis J., Borton, Schling, Hill D., Beautyman.

Second row — Mr. Hutchinson, Mr. Maxwell, Rhoten, Hilfer, Trivers, Shain, Vose, Peterson, Gay, DeNicolais, Cabral, Conti, Mr. Foren, Mr. Johnson.

Third row — Henry P., Hayes, Butterworth, Boyd T., Santaniello, Hotchkiss, Burke, Bernard, Temple, Bigelow, Kottek, Goodwin G.

Fourth row — Schulze P., Henry J., Mullowney, Allen, Winters, James, Bell, Seale, Morison, Jennings.

The Fall Sailing team is comprised of those boys who wish to learn to sail and those who wish to race and get more practice.

The first few weeks of this fall's program were spent in launching boats and qualifying the new boys for skippering the boats. The last two weeks were devoted to racing in the individual class boats.

The first, second, and third place winners in the individual classes were as follows: Mercury Class — P. Chapman, Bumpus, and G. Goodwin; Puffin class — Caswell, Allen, and Rideout; Woodpussy class — Temple, James, and Salkaln. After the winners of the individual classes had been established, there were six races to establish the champion for the Fall Sailing season. The winner was Jeff Caswell; Gifford Allen was second; and Palmer Chapman, third. This year the team also enjoyed several interscholastic races held at Marion, Medford, Cambridge, and Mamaroneck, New York.

Mr. Maxwell, head of the sailing group, and Messrs. Hutchinson, Foren, Johnson, and O'Leary, deserve credit for making this year's Fall Sailing program such a success.

Varsity Basketball

First row, left to right — Moore, Gugler, Deneault, Mr. Hoyle, Clarke (Capt.), W. Fenton, Savignano.
Second row — C. Pierce (Mgr.), Earle, Sproul, Fuller, R. Hill, Sears, Streit, Roberts, Dunn, Shapiro, Knauff (Mgr.), Rovetti (Mgr.)

Fourteen wins and one loss was the record of the 1960 Tabor Basketball team. The Varsity placed first in the Southeast Prep School League. Being defeated by the Brown Freshman, the Varsity remained unconquered by such schools as: Moses Brown, St. George's, Thayer, and the Harvard Yard Champs. Two outstanding victories were over Hebron Academy and Governor Dummer.

Leading the Tabor Team were Captain Brad. Clark with a 15 point game average, Bob Gugler, who averaged 13 points a game, and Dave Savignano with 10 points per game. No less credit should go to the entire team for their splendid play and sportsmanship. Of course, Coach Hoyle should be congratulated for his excellent season.

Junior Varsity Basketball

Front row, left to right — Darst D., McEldowney, Hsu, (Co-Capt.), Mr. Buffinton, Eames B. (Co-Capt.) Shen, Trafton.

Back row — Vickery T., Merry R., Blake F., Heath, Matthews, Langdon, Carey, Baker, Hackel R., Long, J.

The Junior Varsity Basketball team, under the excellent coaching of Mr. Buffinton, enjoyed a highly successful season. With a season's record of 12 wins and 2 losses, the team tied for first place in the Southeast Prep School League.

The two most exciting playing experiences during the season were the last game, a second victory over Dennis-Yarmouth, and the loss to Hatch Prep's Varsity team. Although Hatch beat Tabor 57 to 42, the Junior Varsity gave an outstanding performance. Hatch controlled both backboards; Tabor, however, used a smooth fast break in the second half to outscore Hatch but fell short of winning.

The Junior Varsity team traveled to Dennis-Yarmouth and proceeded to amass its highest single score in the most exciting game of the season. The game was nip and tuck all the way with Tabor winning 65 to 63 in the final seconds.

Forward Brad Eames was this year's high scorer, followed by Rip McEldowney at center. The regulars included Co-Captains, Brad Eames and Doug Hsu, Tom Trafton, Rip McEldowney, Gabriel Shen, David Darst and Marty Hackel.

Junior Basketball

Front row, left to right — Vickery J., Schwartz, Young (Co-Capt.), Howe J., Flanders (Co-Capt.), Boardman, Kelley.
Back row — Eldridge, Lathrop, Gomez, Trivers, Walega, Mr. Heekin, Koehler, Fireman, Birdsall, Katz.

This year, under the fine coaching of Mr. Heekin, the Junior Basketball Team had an excellent season. After losing the first game to Roosevelt Junior High School of New Bedford, the team went on to win the remaining fourteen games. An interesting point to note is that the Junior team later defeated Keith and Normandin Junior High Schools, both of which defeated Roosevelt.

The team had great depth this year which was shown by the dual victory on February 3rd, when the first eight went to Nauset and the remaining eight went on to Belmont Hill; both teams produced a victory. Fine spirit was demonstrated by all members of the team throughout this most enjoyable year.

Senior League Champions

Kneeling, left to right — Lawton, Lifland, Sargent.
Standing — Utter, Hills, J., Spectre, Kellogg, Mr. Burbank.

Cornell

Under the able leadership of Mr. Burbank, the Senior league basketball games proved to be very competitive. Not until the final whistle was blown was the champion picked, and Cornell emerged the winner by one point over hard fighting, second place Yale.

Thanks to the endless work of Captain Elliot Lifland, the team's spirit was always at a high pitch. After playing 30 hard fought games, they went into the play-offs and lost to Yale by a mere six points.

High scorer for the year was Jack Chisholm with 362 points.

This year was one of the best as far as organization and competition goes and was thoroughly enjoyed by all.

Junior League Champions

Kneeling, left to right — Pinto, Pease, A.
Standing — Cady, E., Terrill, Necarsulmer, Mr. Burbank.

Bates

The Junior Leagues, made up of freshmen and sophomores, had an exciting year with Bates finishing on top after a close race with second place, Trinity.

Thanks to the unbiased refereeing of Messrs. Burbank, Segur, Johnson and Cederlund, the teams enjoyed a very competitive season. In the play-offs, Middlebury was defeated by Trinity, 32 to 21, Bates having been eliminated in the semi-finals.

Chris Gerow was high scorer for the season with 238; while second place went to Sandy Koehler, who had 214.

Varsity Riflery

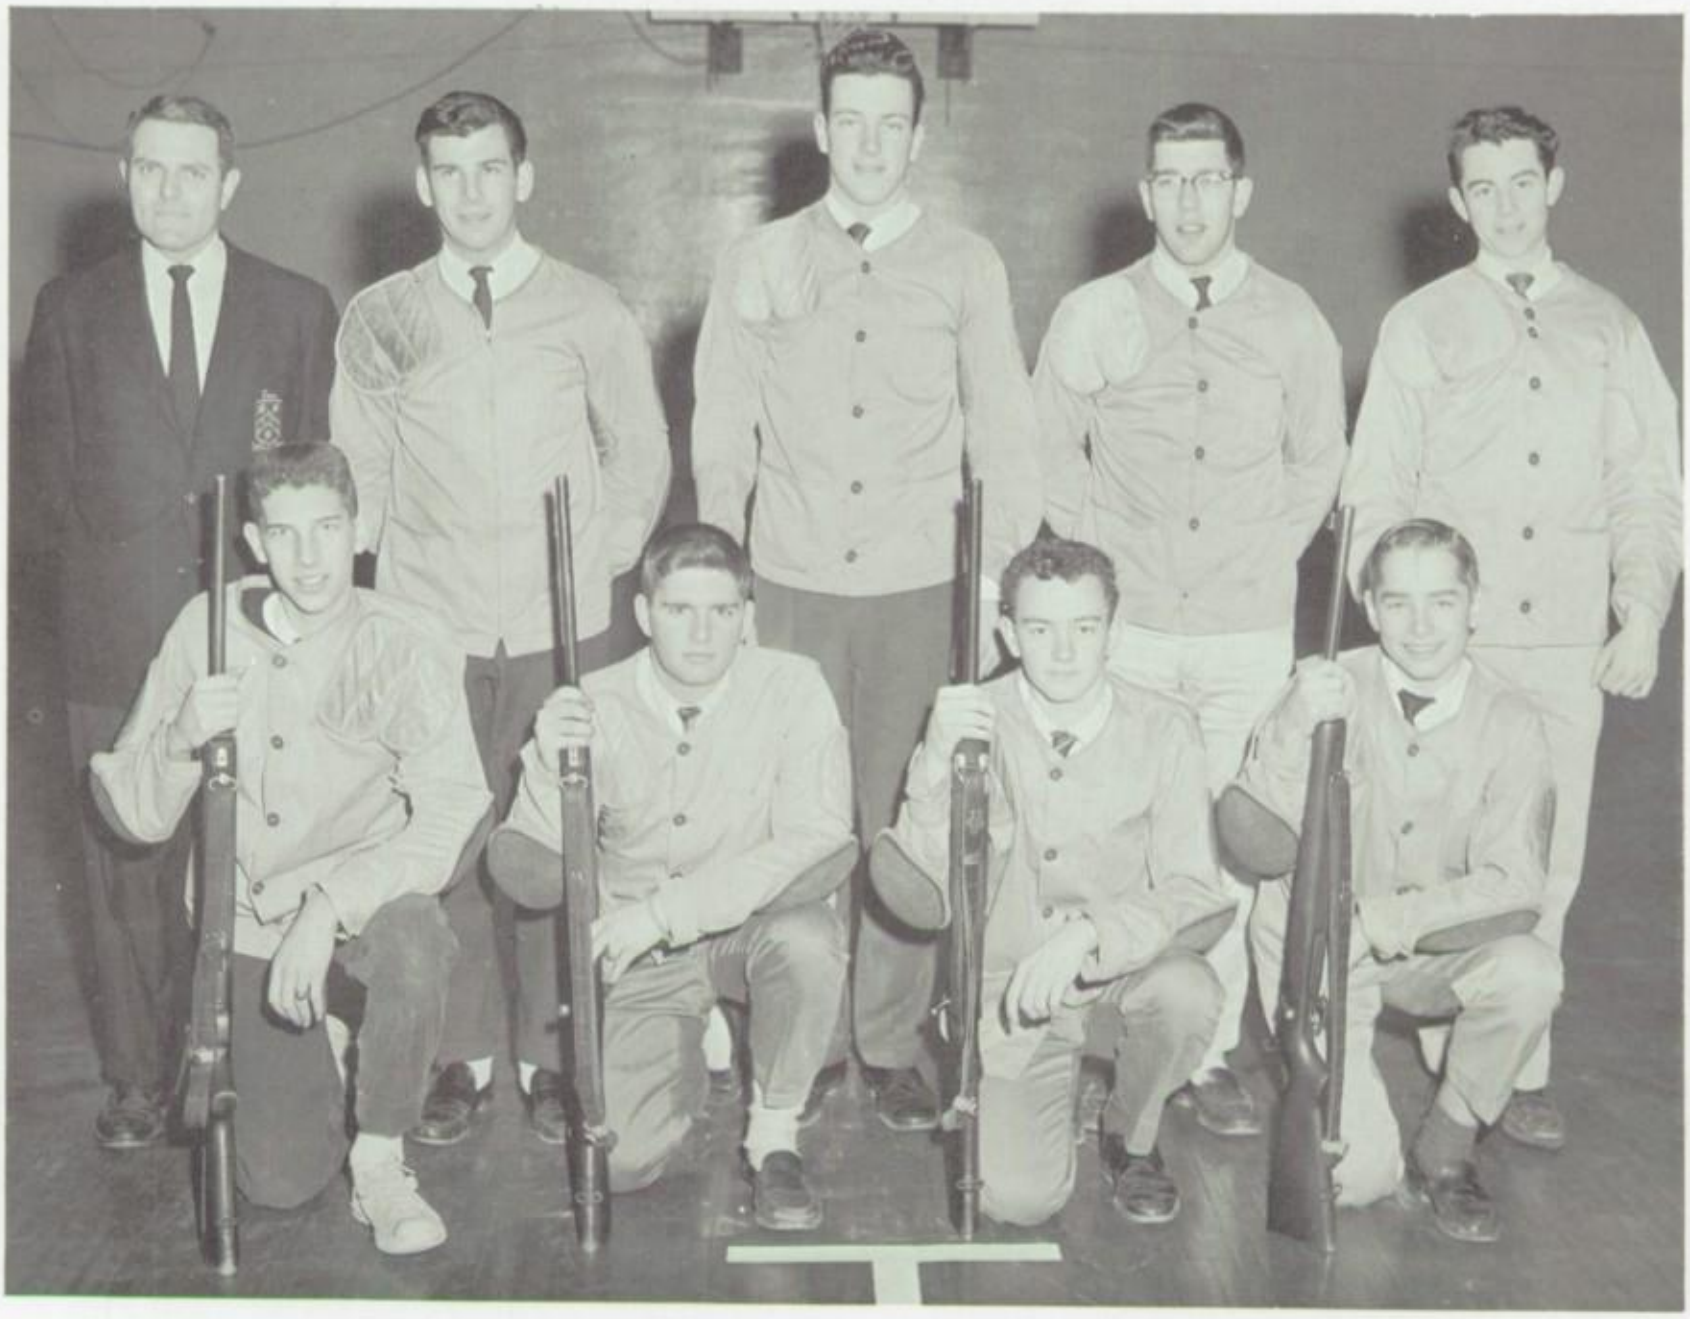
First row, left to right — Weintraub, Bacardi, Phelps (Capt.), Adams, Pinel
Second row — Mr. Woods, Peterson, Haskett, P. Darst, Alley, Reis.

This year the Varsity Riflery team had another good season — winning eight out of twelve matches. The Interscholastic competition was keen, and the Tabor marksmen did an excellent job, many times under great pressure.

The annual Eastern New England Rifle League Tournament was held at St. Paul's in New Hampshire. Tabor brought the trophy home for the seventh year. The scores of that match were Tabor 890, Exeter 889, Andover 874, and St. Paul's 808.

With the able coaching of Mr. Woods, the Tabor Rifle Team had a wonderful season.

Junior Varsity Riflery



Front row, left to right — Shultz, Minnich, Crippin, Beautyman.
Back row — Mr. Hutchinson, Rhoten, Hall L., Sallaway, Mullowney.

The Junior Varsity, being a farm team for the Varsity, is an important part of Tabor's riflery program.

The team, under the capable leadership of Mr. Hutchinson, has a wonderful opportunity to do extensive firing. There is no doubt that the members of the team have made great advances toward becoming a part of the next year's Varsity team. This is evidenced by the fact that two of the Junior Varsity Team fired in Varsity competition and one in the Eastern New England Prep School Rifle League Championship.

Varsity Wrestling

First row, left to right — Hudson, Hotchkiss, Clayman, T. Kakas (Co-Capt.), Ferris (Co-Capt.), Mason, Richardson, Phillips.
Second row — Mr. R. Wickenden, Jackson, F. Tuttle, Kunian, De Lima, Boyd, J., Tuttle, Kunkle (Mgr.), Mr. O'Leary.

This year's Varsity Wrestling squad, under the leadership of Messrs. R. Wickenden and T. K. O'Leary, was a team able to cope with any opponent.

The squad started off by losing the first four matches, but each loss was by less than ten points, or the difference of one match. The team recovered and came back with four wins in a row against St. George's, Mt. Pleasant, Warwick and Roxbury Latin. The remaining two matches were lost by very close margins.

This years outstanding grapplers were: Co-captain Ted Kakas, first in New England in the Unlimited class; Stan Clayman and Bruce Richardson, alternates in the New England Interscholastic Wrestling Tournament; Co-captain Dave Ferris, and Denny Kunian.

The team did a good job under very pressing conditions, producing the third New England champion in Tabor's history, Ted Kakas.

Junior Varsity Wrestling

Bottom row, left to right — Meyer, Tjeder, Long, Bernard, Kramer, Shrut.
Second row — D. Merry, Parrish, Caswell, DeNicolais, Bolton, D. Hill, Cunningham, Lawrence.
Third row — Mr. Thompson, Morrison (Mgr.), Hallenbeck, Kidder, Campbell, James, ter Kuile, Ray, Turner, Gladding, Chornyei, Pollan (Mgr.), Weisenback, Mr. O'Leary.

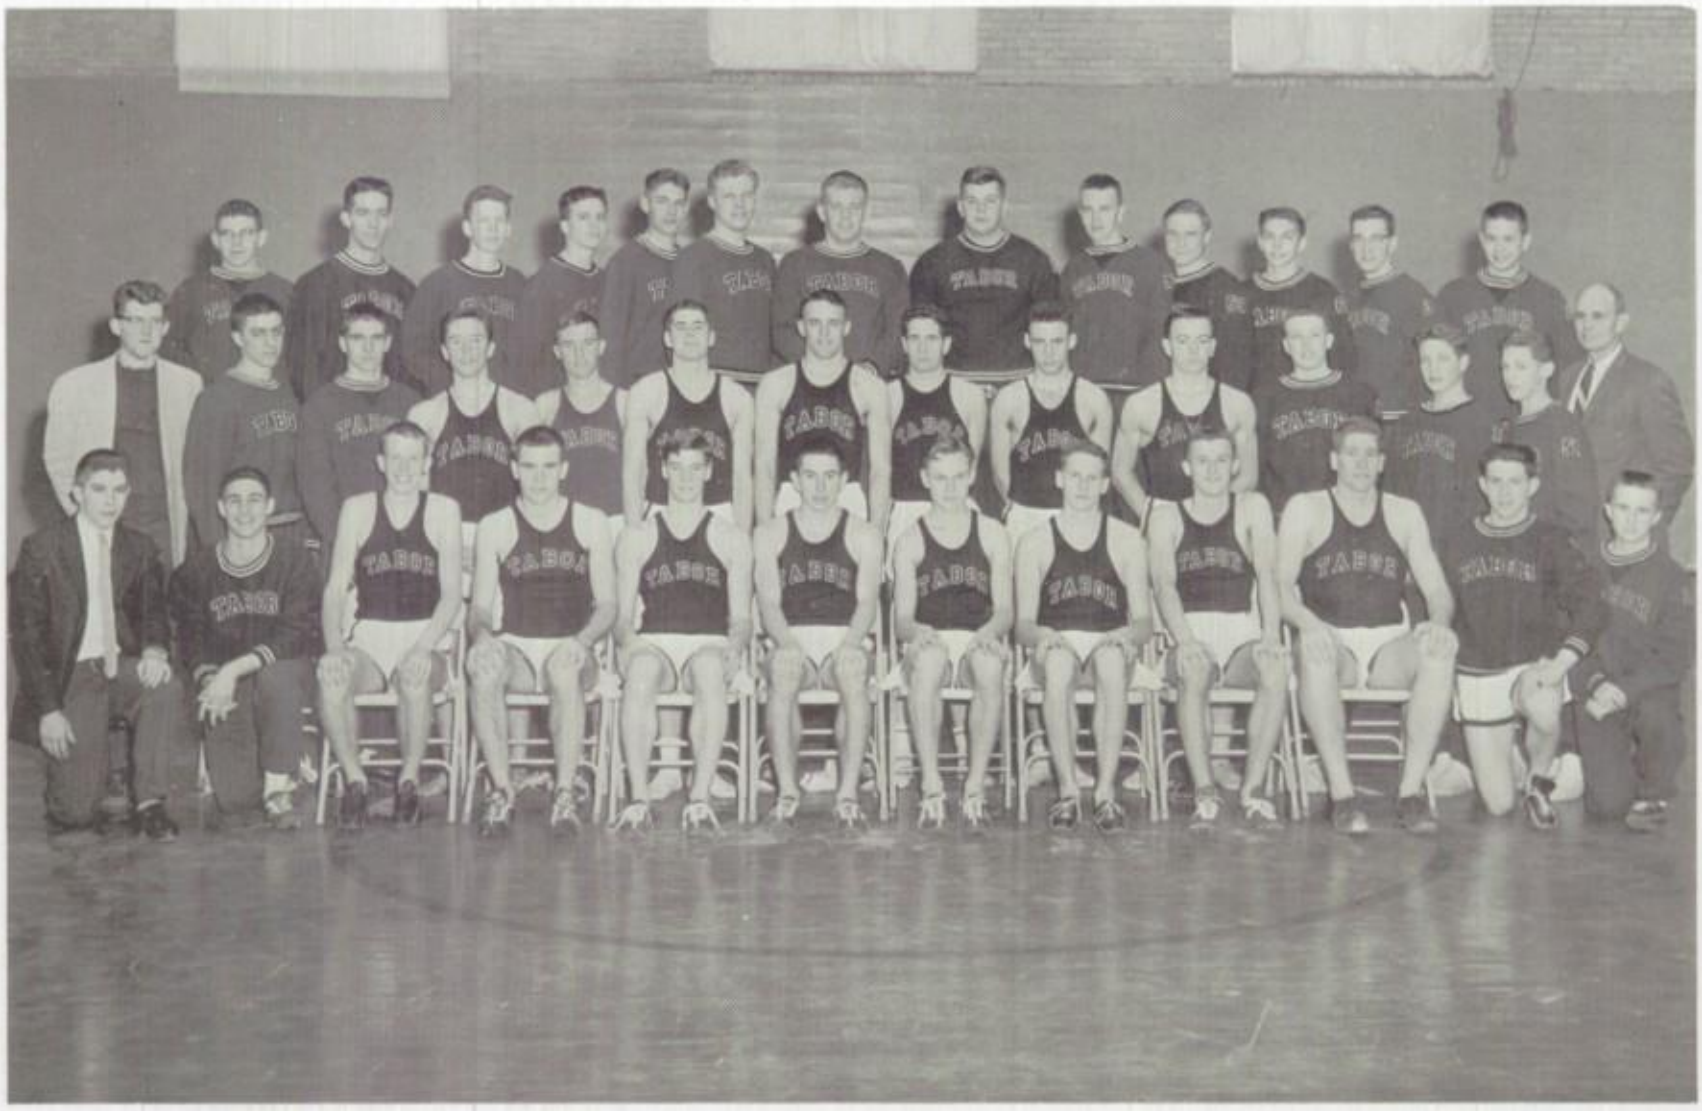
The Junior Varsity Wrestling team had an extremely successful season in 1960, winning eight matches and losing two.

Through the fine coaching of Messrs. R. S. Wickenden and T. K. O'Leary the team gained much in wrestling skill and experience, which will be very helpful in future years of competition.

Exceptionally fine matmen in the lower weight classes were Jay Bolton and Wayne Long. In the heavier weights Rennie terKuile and Ted Turner were standouts.

The Junior Varsity Wrestling team showed much promise, and undoubtedly there will come from this group of fine wrestlers many varsity competitors.

Varsity Track



First row, left to right — Griffith, Grayboys, Marchisio, Barten, Rowland, Evans (Capt.), Cederholm, Pratt, Fullam, Chauncy S., Cantor, Williams S.

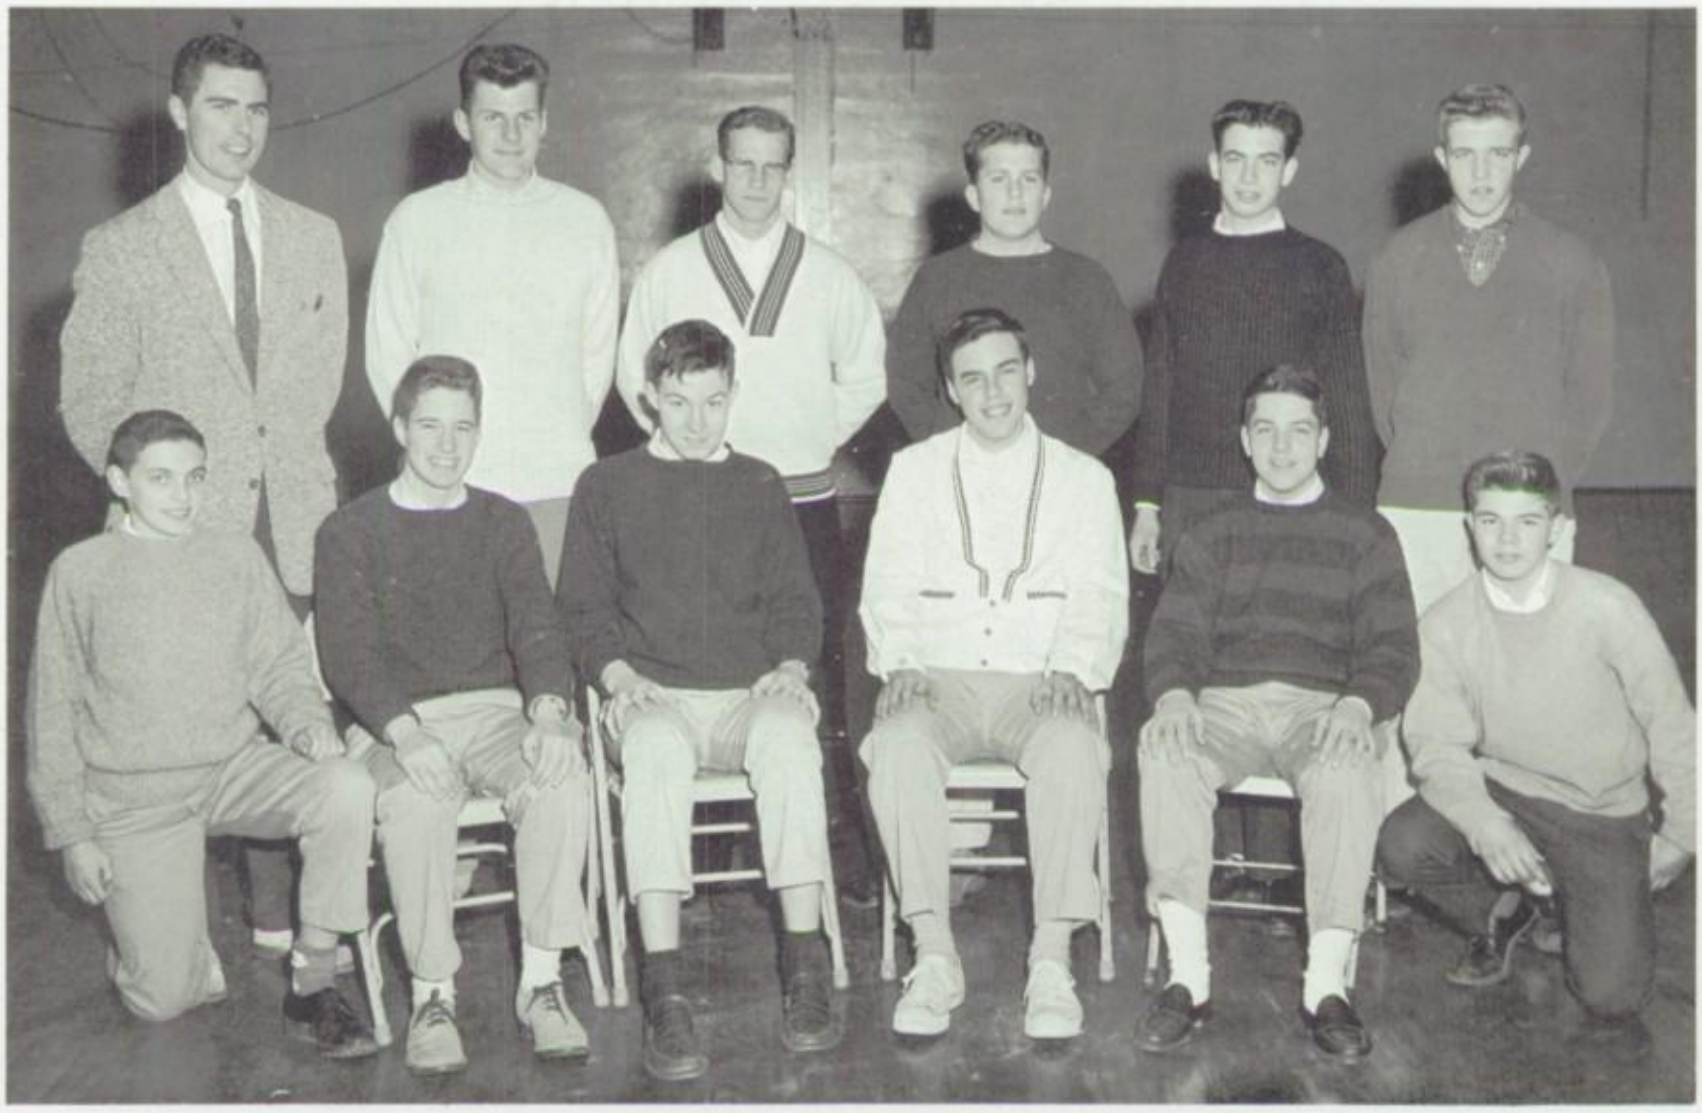
Second row — Winters, Ellis, Blethen, Burwell, Gunning, Kaup, Shore, Fawcett, Seale, Luke, Morgan, Mather, Symonds, Mr. Tuttle.

Third row — Calvin, McNeer, Smiley, Eames, Naramore, Ormondroyd, Millspaugh, Fitzherbert, Hallen, Schutt, Mino, Goodwin G., Stadnicki.

This year's track team, under the able coaching of Mr. Tuttle and Mr. Gowing, had an excellent season. In the first meet of the season against Exeter and Governor Dummer, the first team, captained by Mike Evans, ran to a third place. The next trip was to the B. A. A. Games in Boston Garden, where the mile relay team placed third in a thrilling relay, being beaten by Huntington and Moses Brown. The first dual meet was against a new rival, Wilbraham, and in a close finish Tabor came out on top 35-33. The next meet, against a traditional rival, Moses Brown the team was defeated 44-28 for the first time in seven meets. The next Saturday, dance weekend, Tabor played host to New Bedford High School, and after a very close meet was defeated 35-33. In this meet, John Cederholm set a new school mile record of 4:49:7, and Mike Evans set a new track record of 1:18 in the 600. In the last dual meet of the season, the luck changed and Tabor trounced Dartmouth High School 40-23.

The last trip of the year was to the New England's at Andover, Mass. Competition was extremely keen as ten teams entered; Tabor tied for fifth place.

Boat Shop



First row — Sapienza, Borton, Greene, Schling, Crockett, Marchand.
Second row — Mr. Foren, M. Moore, Billings, Hornblower, Burke, Santaniello.

The Boat Shop is under the able direction of Captain George E. Glaeser, who was assisted this year by Mr. R. Foren, Bryant Palmer and James Fitzpatrick, the cook on the Tabor Boy.

This year the annual work on the fleet was carried out and a considerable amount of work was done in the hangar, where the Jeep, Poppy and several Mercuries were refurbished. The Boatshop crew has also renovated the flagstaff.

Steps have been taken to make the organization more efficient and a number of multi-purpose portable rollers are now in use, superseding the ancient regime of brute manpower.

The members of this organization have done a commendable job this year and have helped to put the fleet in fine shape for a good sailing season and the summer activity.

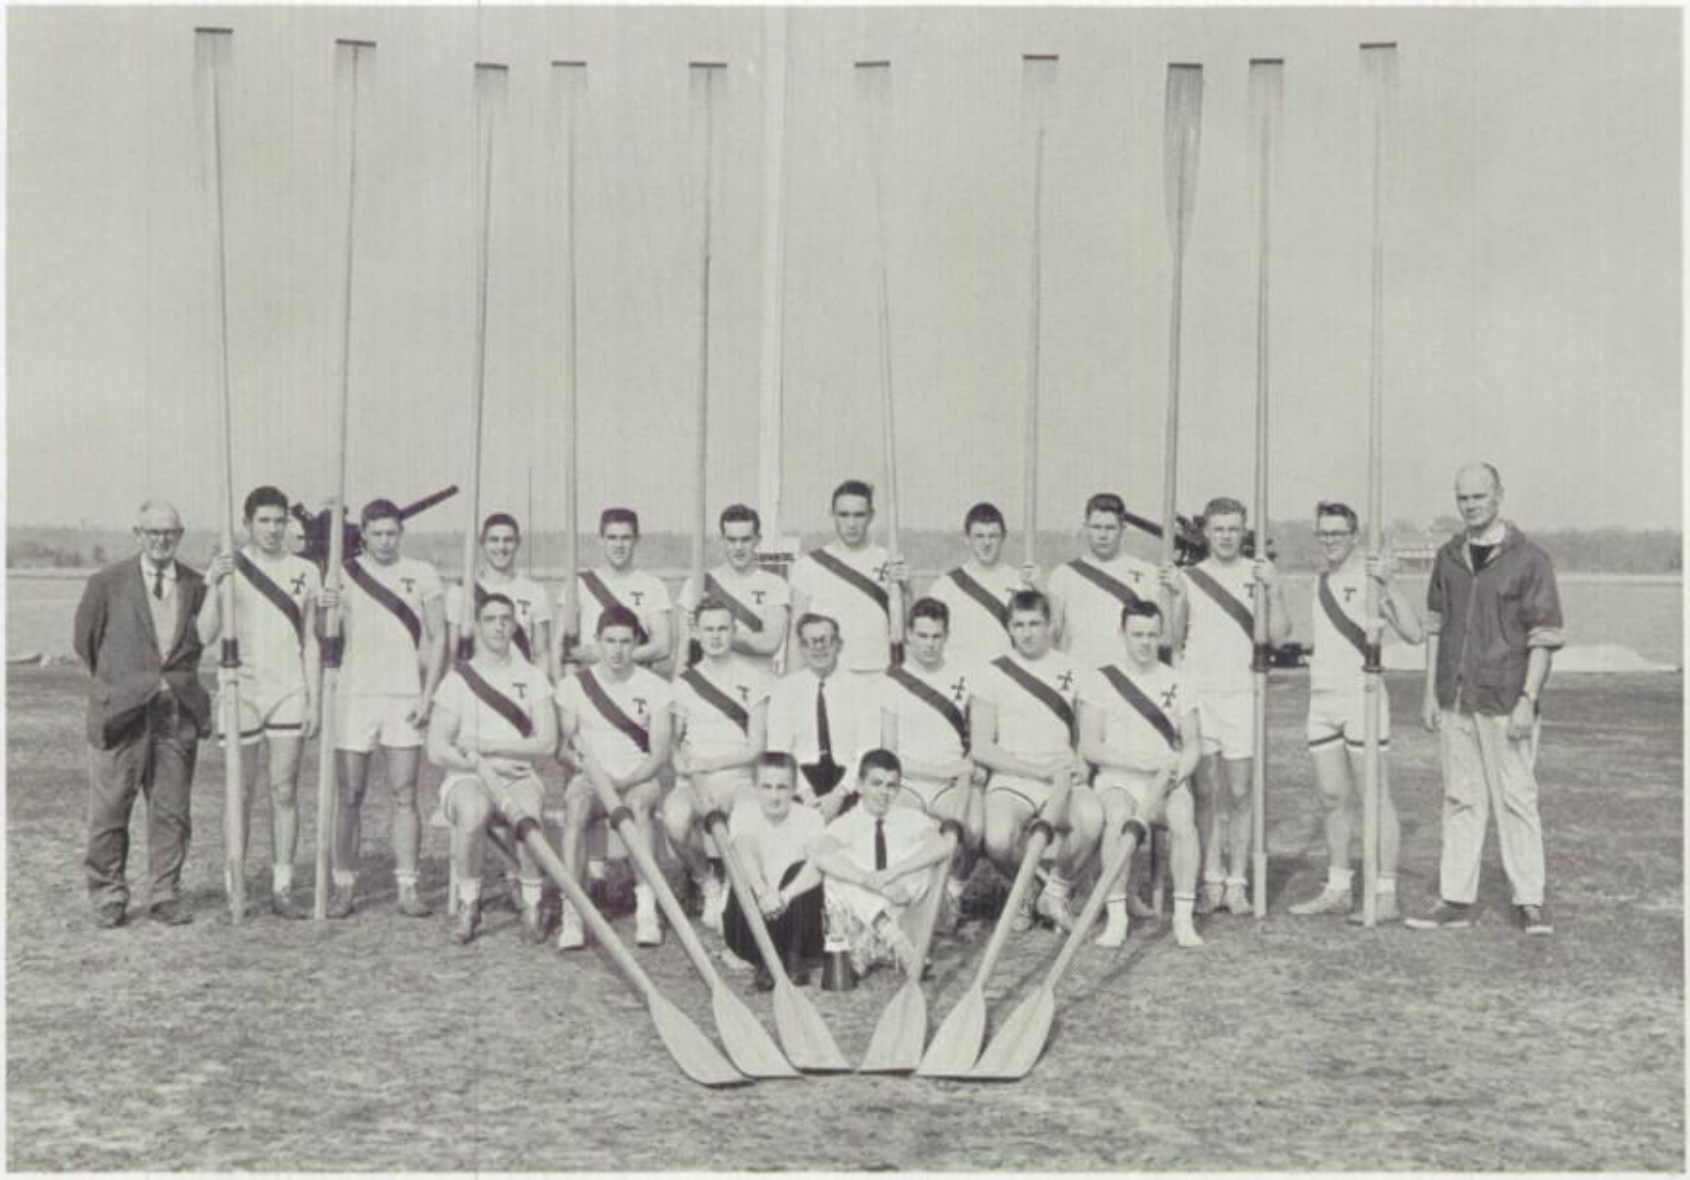
Henley Crew



(Seated on the ground)—Williams S., Howe, J.
(Seated)—Kraemer, Evans, Cederholm, Mr. Hoyle, Savignano, Hartley, Luke.
(Standing)—Mr. Beebe, Young, terKuile, Graboys, Ferris, Clark P., Kakas E., Clayman, Jennings, Ormondroyd, Chornyei, Mr. Swain.

This year, under the excellent coaching of Mr. Hoyle, with invaluable aid from Mr. Beebe, Mr. Swain, Mr. Hutchinson, and Mr. Kakas, Tabor's crew has had a good season. This year's practice started last fall, with the first and second boats going out on Sunday afternoons, up until Thanksgiving. In order to get a jump on their spring schedule, these two groups also met at Brown University during their last week of spring vacation. There, as guests of the university, they rowed both mornings and afternoons, sometimes rowing as much as thirty miles a day. This crew is, without a doubt, one of the best that Tabor has seen in a long time.

It is with our most sincere best wishes that we send this crew to represent us in Henley, England this summer. We are sure that they will do a fine job over there, and we wish them all the best of luck.

Third and Intramural Crews

Coxswains, front, kneeling — Beautyman, Campbell D.
First row — left to right — Hall S., Brierley, Chapman G., Rovetti, Hotchkiss, Hills, Woodruff, Savage, Jewett, Vose, Goodwin G., Parrish, Birnbaum.
Second row — Mr. Hutchinson, Burt, Ellis, Utter, Hill D., Pease C., Kakas G., Bigelow, Greene, James, Morgan T., Rhoten.
Third row — Banister, Butterworth, Gay, Kenerson, Cherry, Neal, Keyes, Rideout, Whitcomb, Salkaln.

The third and intramural crews were made up of underclassmen who had not had much experience in rowing. Through the intramural program these boys obtained rowing experience.

The third crew raced in many of the interschool contests in which the second boat competed. The intramural crews raced once a week and the winner competed in the interschool race held that week.

Much credit should be given to Mr. Swain and Mr. Hutchinson for their leadership in organizing the intramural program. Under their fine coaching the boys have become considerably improved oarsmen.

Varsity Lacrosse

First row — left to right — Mr. Trautman, Mr. Tuttle, Cantor, Gunning, Hudson, Jenkins, Mason R. (Co-Capt.), Streit (Co-Capt.), Dunn, Gugler, Tuttle F., Shore, Mr. Thomsen.

Second row — Knauff (Mgr.), Long, Myers R., Roberts, Blake F., Heath, Ray, Piehler, Mason D., Schwartz, Boyd F., Fenton W. (Mgr.).

Third row — Jackson, Booth, Flanders, Zoch, Turner, Chauncy S., Love, Calvin, Schutt.

Lacrosse, which has become a well established spring sport at Tabor, gives an excellent opportunity for boys to play in a good contact sport and have fun.

With an abundance of lettermen returning, such as Co-Captains Ray Streit and Bob Mason, along with David Dunn, Fred Tuttle, Graeme Flanders, and Howard Cantor, the team was assured of winning its share of games.

The team had a fine schedule this year with such schools as Andover, Governor Dummer, M. I. T. Freshman, and the Harvard Freshmen.

Special credit should be given to Mr. Trautman, Mr. Tuttle, and Mr. Thomsen, who did such an excellent job of coaching the Varsity Lacrosse team this year.

Junior Varsity Lacrosse

(Bottom row) — Smiley, Tjeder, Griffith, Hudson, W., Conti (Mgr.), Mr. O'Leary, Gray, Mr. Lavoie, Cady C., Koehler, Bernard, Cunningham, Chauncy P.
(Middle row) — Bucci, Millspaugh, Merrill, Tuttle J., Stringer, Shain, Vickery T., Lawrence P., Kalat, Acker, Burke, Eames R., Merry R., Birdsall, Mather, Merry D.
(Top row) — Mullowney, Bram, Tye, Trivers, Brown, Thomas, Kidder, Haskett.

This season the J. V. Lacrosse squad had a fine group of boys on the team. When the season opened, most of the boys had never played the sport. In just one week of practice Coaches Lavoie and O'Leary ably put together a team in time for the opening game of the season. This game was played against Rivers Country Day School. The team played well but went down in defeat 6-2. The team was quick to learn and improved rapidly as the season progressed.

Some of the outstanding players were: Billy Hudson, Bruce Smiley and Bob Bucci at attack: John Tjeder (Co-Capt.), Henry Kidder, and Wayne Long at Midfield; Defensemen Sandy Koehler (Co-Capt.), Pepper Thomas, and Buzzy Mather, and Goalie Skip Gray.

The squad turned out some fine players and created a wealth of Varsity material for future seasons.

Varsity Baseball

Front row—left to right—Burwell, Kunian, Morgan G., Hill R., Deneault (Capt.), Howe G., Gilbert, Hackel R.

Back row—Mino, Earle, Sears, Clarke, Eames B., Swartz, Quartier, Lawrence J. (Mgr.).

With only one returning starter, Gerry Deneault, from last year's undefeated team, Mr. Luchini had to do a lot of rebuilding this past season. Other returning lettermen were Brad Clarke, Dick Earle, Dick Hill and George Morgan.

The remainder of the team consisted of Carter Burwell, Brad Eames, Roger Gilbert, Richie Hackel, Glen Howe, Denny Kunian, Phil Quartier, Rick Sears, Barry Swartz, all of whom came up from the Junior Varsity. Ray Mino and Bruce Sproul were the freshmen additions — the manager was John Lawrence.

This year's schedule consisted of games with: New Bedford High School, St. George's, Providence Country Day, Thayer Academy, Portsmouth Priory, Governor Dummer, New Bedford Vocational, Moses Brown, and Dennis-Yarmouth on Commencement weekend. Playing the majority of these teams twice, the varsity played a total of fourteen games.

Junior Varsity Baseball

Front row—left to right—Katz, Shapiro, English, Millspaugh, Lathrop, Hovey, Sumner, Wiener.

Back row—Mr. Burbank, Morison, Chisolm, Vaitses, Weintraub, Boardman, Vickery T., Anjoorian, Padilla G., Crippin.

The Junior Varsity Baseball Team was a youthful squad. This year's team had to fill the shoes of eleven Junior Varsity players of 1959, who graduated or were promoted to the Varsity.

The 1960 season for the Junior Varsity was mainly a year of rebuilding. As each game was played, the Junior Varsity improved, and they ended up with a season to be proud of.

The opening game was with a strong New Bedford High team. They made us find our mistakes quickly as they dashed off with a 12-3 victory.

At third base this past season, was a veteran, Bill Sumner, one of the two players that returned to the Junior Varsity. Ben Hovey played next to him at short. John Vickery did a good job at second and shows promise. Peter Wiener filled in for him. Jim English played first, with Russ Boardman, a promising freshman, spelling him. The outfield needed practice; they got it and developed into a good-looking outfit. The outfielders were: Steve Vaitses, Jeff Anjoorian, Paul Shapiro, Jack Chisholm, Harry Weintraub and Guillermo Padilla.

In all, it was a good season, and next year look for a few of those 1960 Junior Varsity ball players up on the Varsity.

Middler Baseball

Front row—left to right—Hockmeyer, Santaniello, Hamilton, Hornblower, Marino, Henry P., Woods R.
Back row—Mr. Segur, Larson, Long J., Cady E., Fenton H., DeNicolais, Desmond.

The Middler Baseball team, under the direction of Mr. Segur, had a colorful season. The team had high spirits and great enthusiasm for playing baseball.

In the early part of the season the squad looked weak, but as time progressed the members of the team came through with timely hits and good fielding.

The team had only one returning veteran, Ed Cady, who pitched last year and again this year.

Ed DeNicolais, playing third base, and Bob Woods proved to be valuable players.

During the season the Middlers played such teams as St. George's, Lawrence High School and Barnstable.

Sailing Team

Front row—left to right—Sedgeman, Kellogg, Durant, Pierce C., Dripps, Chapman P.
Back row—Finn, Moore S., Caswell, Allen, Pollan, Mr. Maxwell.

Spring sailing under the expert leadership of Messrs. Maxwell, Johnson and Foren had a fine racing program this year with M. I. T., St. George's, Procter Academy, and Portsmouth Priory.

On April 13th the spring sailing team had its first racing series with the M. I. T. freshmen. Six races were held; Tabor won four and M. I. T. won two. This was just the beginning of a successful season.

The sailing team went on to achieve a record that Tabor could well be proud of — winning a majority of its races.

Stan Moore, the captain, along with the coaches, deserves a great deal of credit for turning out such a fine team.

Schooner Crew

First row — left to right — Kunkel, Lawton, Farrel, Captain Glaeser, Leighton, Naramore, Minnich, Bailey.

Second row — Miller A., Davis G., Schling, Fawcett, Sullivan, Phillips, VanZandt, Russell, Hornblower, Jaeger, Richardson, Darst D., Gladding.

Third row — Darst P., Sargent, Bolton, Swartz, Billings, Rowland, Elsas, Campbell.

The Schooner Crew has experienced one of its finest years under the capable leadership of Bob Leighton, the executive officer. Assisting him were six other competent officers: Mal Farrel, first lieutenant; Mike Naramore, navigator; Dick Lawton, bos'n; Fred Minnich, engineer; Mike Bailey, carpenter; and Bill Kunkel, commissary officer.

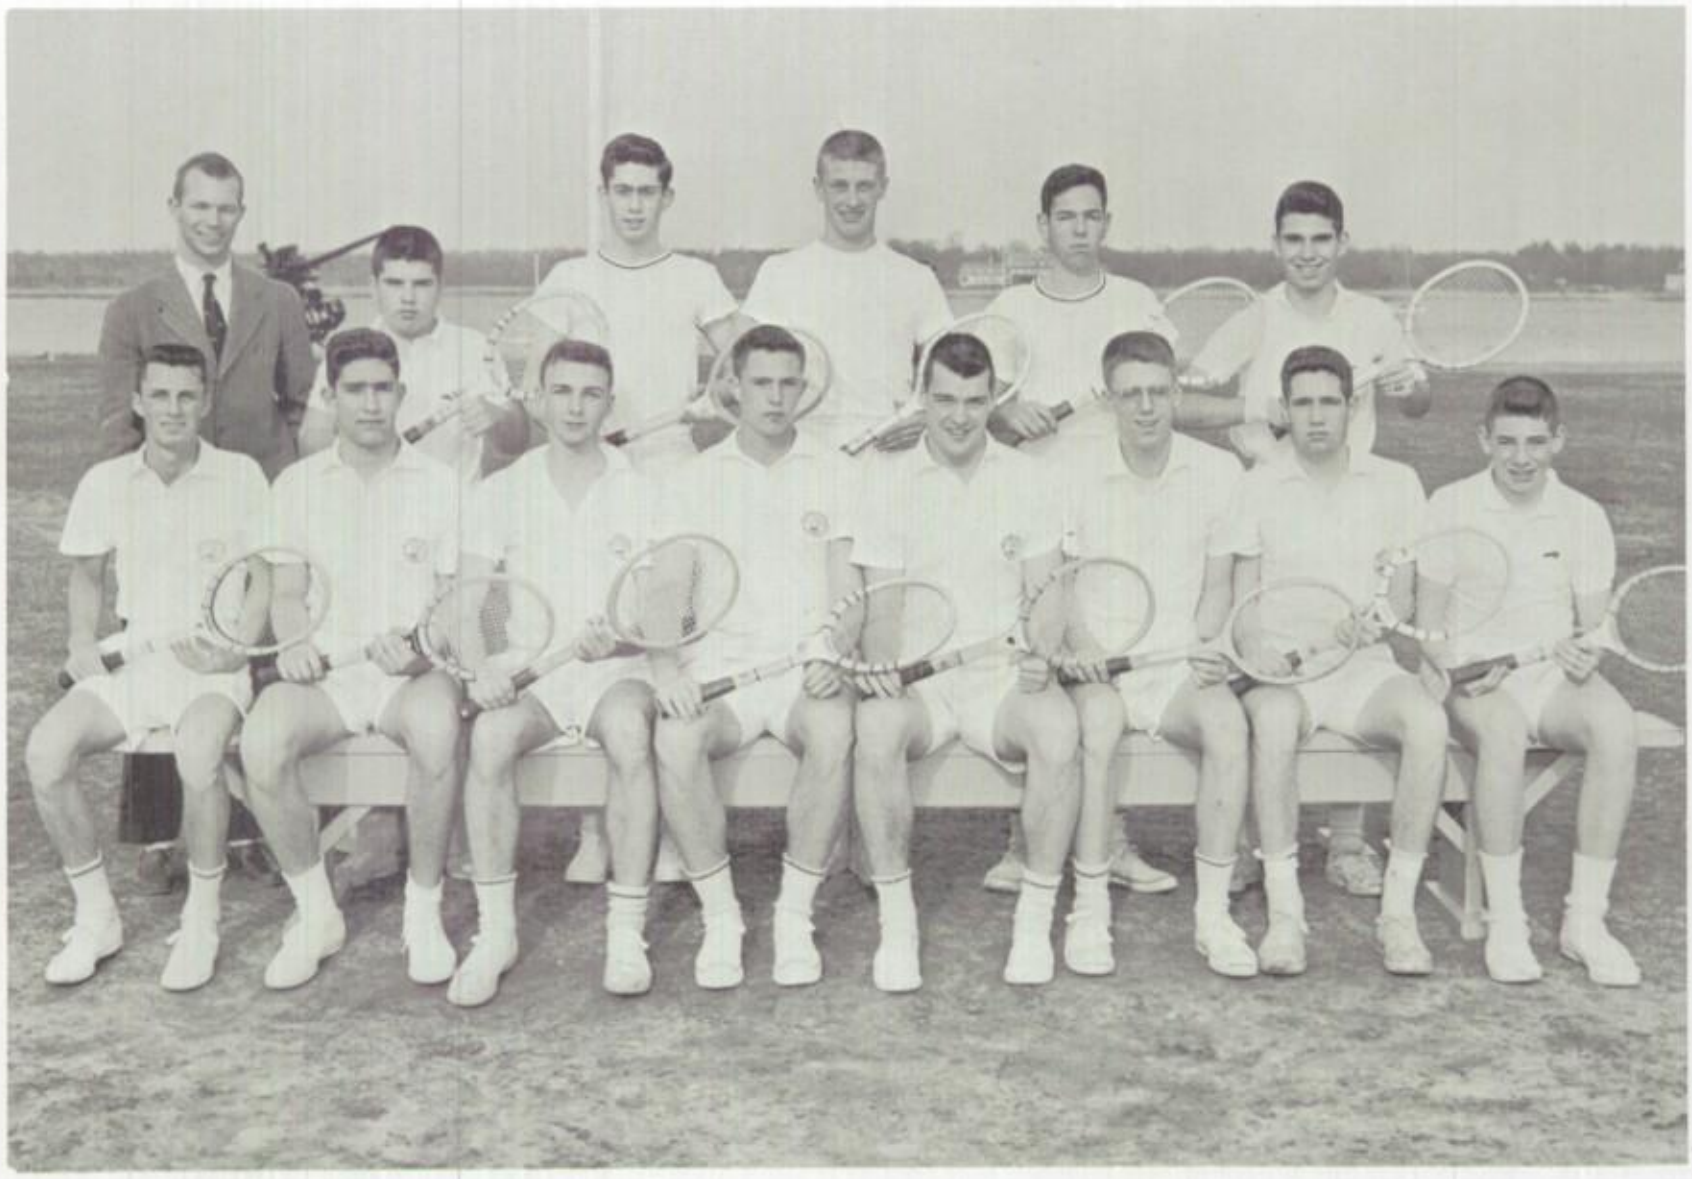
During the fall season the Tabor Boy cruised over 1000 miles on weekend trips to Portland, Maine; Nantucket, Newport, Provincetown, and other ports. At the termination of the fall season, the Tabor Boy again headed south with a crew of eleven to Charleston, South Carolina, for winter storage.

In early March, the crew embarked on the annual Spring Cruise which was to Nassau. The Tabor Boy's arrival in New Bedford from Nassau marked the start of the spring season during which the crew undertook the task of preparing her for the Spring Day inspection.

Many improvements have been added to the vessel making her an even better training ship this year. These include a hand-carved, golden eagle for the stern, a new radio direction finder, and the rebuilding of the anchor winch.

Tabor is indeed fortunate to have such a fine vessel as the Tabor Boy and such an outstanding skipper as Captain George Glaeser.

Varsity Tennis



Front row—left to right—Craig, Cajale, Woods W., Vanderwarker, Trafton, Fuller, Fawcett, Rosenberg.
Back row—Mr. Heekin, McKee, Pease H., Notman, Wine, Hackel M.

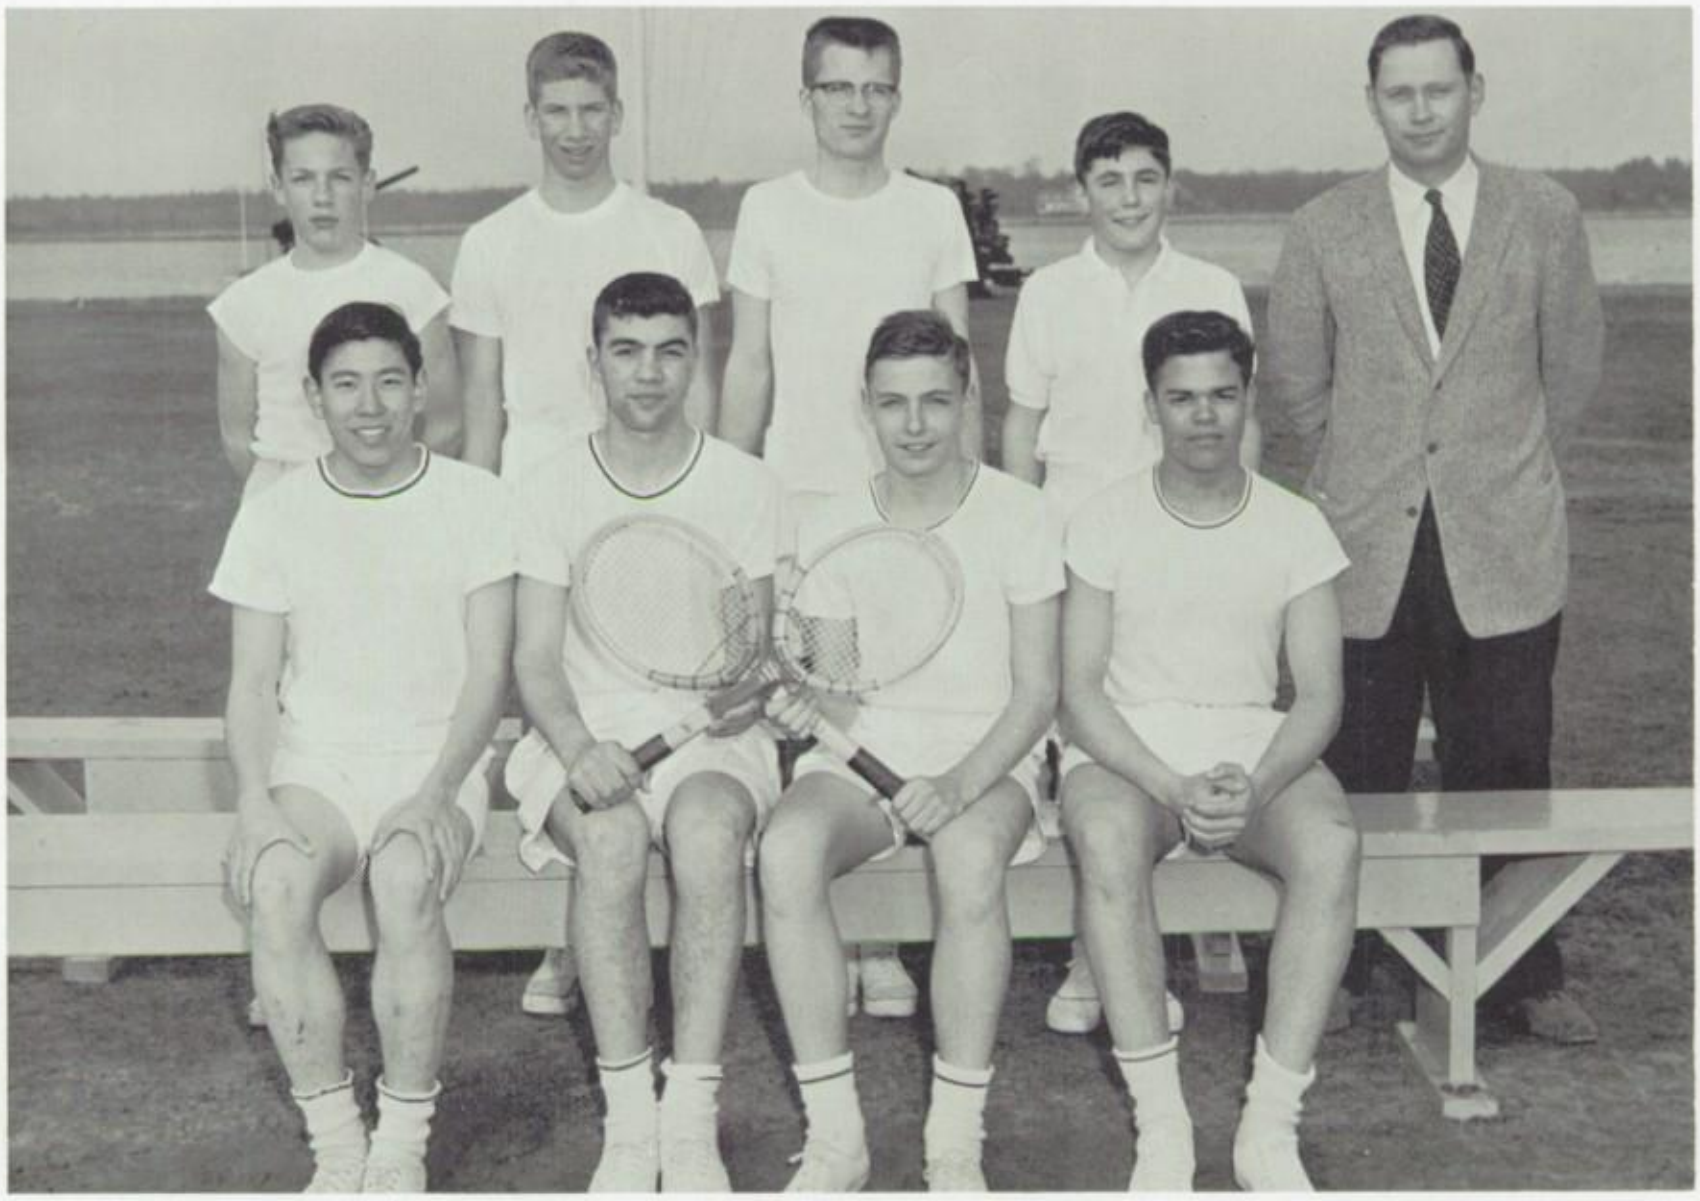
Under the fine coaching of Mr. Heekin, the excellent instruction of Mr. Andrews, and the leadership and performance of Captain Tom Trafton, the Varsity Tennis team improved considerably.

Seniors Dick Vanderwarker, Bill Notman and Ty Fuller, as well as Marty Hackel, Bob Fawcett and Fernando Cajale helped the team to its outstanding record.

Milton, New Bedford High School, Thayer, Worcester, Fairhaven, Portsmouth Priory and St. George's, were guests on Tabor's seven new clay courts.

Even though the team will lose some of its excellent lettermen, Tabor is well assured of even better teams in years to come.

Junior Varsity Tennis



Front row—left to right—Shen, Walega, White, Gomez.
Back row—Symonds, Terrill, Langdon, Mulliken, Mr. Cederlund.

With seven new tennis courts kindly donated by Mr. and Mrs. Robert G. Stone, Tabor has been able to organize a J. V. tennis team.

The Jayvees learned a great deal this year under the able instruction of Mr. Heekin, Mr. Andrews, and Mr. Cederlund. Much experience was gained by playing several tough competitors such as Milton, Thayer, New Bedford High School and others.

By having a J. V., the varsity can depend on a constant supply of experienced players for the future.

Varsity Golf

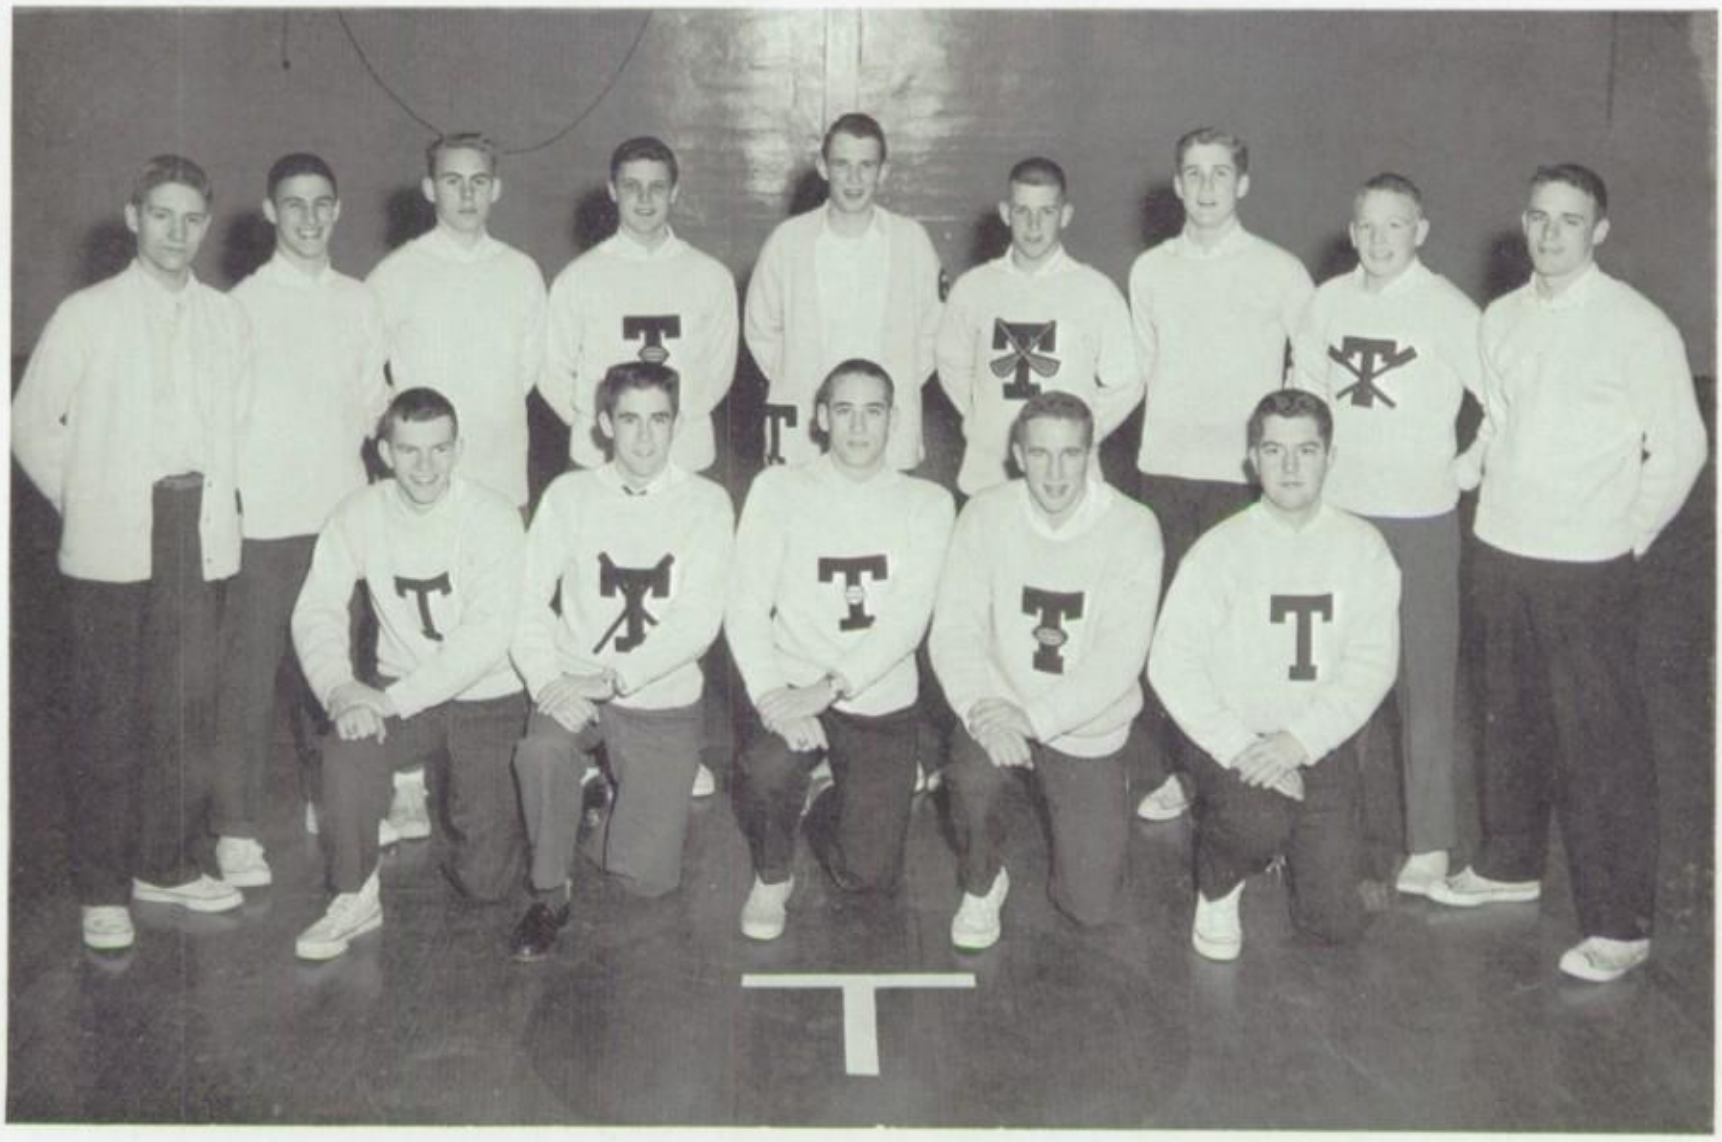
Front row—left to right—Mr. Sweeney, Heyman, Reid, Fireman, Martin, Sallaway (Capt.), Reis, Baker, Johnson, Bertrand, Mr. Muzzey.
Back row—Eldridge, Holm, Ingram, Carey, Stadnicki, True, Howard, Place, Hallenbeck, Beach, Smith D.

Tabor has long been noted for its very fine golf teams, which have won 54 out of their last 64 matches, and this year's team has kept the tradition. This year's team, led by captain Bill Sallaway, also had such fine golfers as Kenny Baker, Dave Reis, and Sam Martin.

Coach Sweeney, with the able assistance of club pro Mr. Dennehy, has taken a rather young and inexperienced team and turned them into a strong opponent for any competition. The Kittansett Golf Course, where Tabor plays its home matches, is one of the most beautiful and most difficult in New England.

At the Little Marion Course, Mr. Muzzy handles the J. V. team that in following years will carry on Tabor's fine golf record.

Cheerleaders



Kneeling, left to right — Campbell, Ferris, Kunian, Mason R., Pierce C.
Standing, left to right — Blake F., Grayboys, Merrill, Schwartz, Kunkel, Mason D., Heath, Kakas G., Shore.

The main job of the cheerleaders, here at Tabor, is to encourage the highest form of team play and spirit in organized competition. Their ability to do this can make the difference between victory and defeat. If we can judge by the fine records of the football and basketball teams, this year's group was highly successful.

Much credit should be given to the entire school for the fine spirit which prevailed. Led by Bill Kunkel, and many other Seniors, the rallies were a tremendous success. The enthusiasm of the underclassmen can not go unrecognized, and it is hoped that this spirit will continue.

A square knot — fast becoming the most famous in America as a standard for use in Red Cross Aid bandaging. It holds fast, but can readily be adjusted. Your insurance protection should be similarly secure, yet conform to current conditions and values. It will pay you to tie up with an agency, such as ours, one capable of giving you complete insurance services.

We shall consider it a privilege to serve you.

The Rule Of The Road

(revised)

When all three lights I see ahead,
I turn to *Starboard* and show my *Red:*
Green to Green, Red to Red,
Perfect Safety — *Go Ahead.*

But if to *Starboard Red appear,*
It is my duty to keep clear —
To act as judgment says is proper:
To *Port* or *Starboard, Back* or *Stop* her.

And if upon my *Port* is seen
A Steamer's *Starboard* light of *Green,*
There's not so much for me to do
As *Green* to *Port* keeps *Clear* of me.

Both in safety and in doubt
Always keep a good look out.
In danger, with no room to turn,
Ease her, *Stop* her, Go *Astern.*
